O. W. L.
(On With Laughter)

Hello Folks, Happiness is about as cheap as anything we know of, but many are too rich to have it.

The boy stood on the railroad track. The train was coming fast. The train got off the railroad track To let the boy go past.

Any woman will look before she leaps if there is a mirror handy comments Collins Peel.

Will you go out riding with me tomorrow? I was riding this afternoon.

Daughter—Pa, what is your birthstone?
Father of Seven (wearily)—The grindstone, I guess, my child.

One nice thing about radio is that it never has any secrets, chuckles Cash Moore.

Jenkins—May I borrow your lawnmower, please.

Neighbor—Sorry, I'm afraid you can't. He's out playing baseball with the other boys.

They say Adam was the first radio bug. He made a loud speaker out of his spare parts.

To Our Friends and Customers

Since the B. R. Barnhill Garage was organized it has been the policy of this business to sell everything on a cash basis. Through one cause or another, however, we have been rather lax, and therefore we find a few accounts on our books.

Your name has appeared or is now on our books as one whom we have allowed to run an account. This is the reason we are running this advertisement.

Due to the fact that we pay cash for practically everything we buy, and also due to the fact that we pay all of our mechanics weekly, and in further view of the fact that our labor charges are extremely low, we find it necessary to adhere strictly in the future to our policy of doing a cash business.

Therefore, all parts, accessories, labor, etc. obtained from our place of business will be strictly on a cash basis from this date on.

We are quite sure this will not inconvenience you whatever and that you will find your way back to our place of business repeatedly. We handle Genuine Ford parts only and sell them at the established list price suggested by the Ford Motor Company. Our labor charges we believe are the lowest, or at least as low as those of any other dealer in the State of North Carolina. Therefore it will pay you to trade with us on a cash basis, rather than at some other place on a credit basis where their labor charges are much higher.

We thank you most cordially for the business you have given us in the past, and extend you an invitation to call in to see us at any time you are near our place of business.

YOURS TO SERVE,

B. R. Barnhill
