

MARGOLIS BROS. & BROOKS

5TH. ANNIVERSARY AND EXPANSION SALE

-Friday October 17, At 9 A. M. - - For 14 Days-

Margolis Bros. & Brooks Celebrate Their Fifth Year In Williamston With A Never-To-Be-Forgotten Sale Of Quality Merchandise.

We have just fully completed remodeling our old store as well as the new store we annexed this year, which marks a great event in the history of this store. Each passing year has marked the steady growth of this store, due to its policy of selling quality merchandise at low prices based on the idea of quicker turnover and smaller profits. That our policy was right, has been proven by our many friends in this and adjoining counties who have been numbered among our regular customers all these years and who have caused us to outgrow our old store and make it necessary for us to have larger quarters. We appreciate this very much and in order to show our appreciation we have taken this means of staging this anniversary party which is to be so different from all other parties in that, Whereas at a usual party one is asked to bring a present, at this party we are going to present our customers with the greatest values in quality merchandise they have ever received, for it was with this in view that our buyer searched the biggest markets for the best values to offer you, and at a time when you can most benefit by money saving values, when you will be ready to outfit yourself and your family with all their winter needs. You will be able to do this from a stock that is complete with everything for every member of the family and at savings that will justify your buying all your needs for the next six months. So come prepared to take full advantage of this money savings event at such an advantageous time. You are cordially invited to the store of MARGOLIS BROS. and BROOKS, where we want you and your family to make your headquarters while in Williamston.
