betrayed
Their first conversation betrayed the fact that she was not fastidious.
AT a distance she had appeared unusually neat, immaculate, meeting her first face-to-face meeting he discovered that her teeth were not clean. And he soon lost interest.
Notice today how you, yourself, watch another person's teeth when he or she is talking. If the teeth are not well kept they at once become a liability.
Linterine Tooth Paste shows teeth a new way. At last one chemical has discovered a solution superior that really cleans without irritating the enamel—a difficult problem finally solved.
A large tube of Linterine Tooth Paste is only 25 cents, at your druggist's—Lambert Pharmacal Co., Saint Louis, U. S. A.
