The Five Things Martin County Most Needs

ARTICLE NO. 7
I. The county needs enough money to pay the debt it owes and be a free county again. I say this because we are in debt enough now, and if we keep on borrowing we will never see the day when we will be free again.
II. We need to make more of our best stuff at home. I say this because there are so many good things that are made in other countries that we buy anything from what it takes to live until they go to buy their food and then they begin to grumble and talk about what they have to spend for something to eat. We have to buy some things because we do not try to raise it. We should all plant more food-stuff and buy less.
III. We need a law that will protect a man in his banking accounts. What I mean by that, when a man wants to open up a bank and wants all the people to leave their money with him and they do so and he says "I'm while they close the door and they can not get anything. That is why I encourage a man to put his money in a bank. The banking system should be solid enough that when a man leaves money in a bank that he could get it, no matter what happens.
IV. We need food from all over the country. If anybody needs a good road to travel the one farmer is the one who has the best surface. The road is made by the farmer. A rule that the big man can be the farmer and most all of their jobs are on the land and the poor farmer off to one side. He is afraid to go over half a load when he goes to town.
V. We need to look out after the people closer. I mean to stop the boys and girls from going bathing half naked together on Sunday and draw the attention of large crowds when they ought to be at church or somewhere. Such as this will ruin the upbringing generation forever if it is not stopped.

New Method Heals Pyorrhea

Ten Year Bad Case Completely Healed in a Short Time
Writes Florida Woman
Faced with the loss of her teeth, after 10 year's suffering, Mrs. M. J. Travis, an esteemed resident of Jacksonville, declares she finally saved her teeth by a simply home treatment, "worth its weight in gold." Using her own words: "After having pyorrhea for 10 years my mouth is now healed. Before I found out differently, I was told there was on relief and had yielded to the loss of six fine solid teeth. When I discovered Moore's pyorrhea treatment. Three days after starting to use, the soreness left my gums; my teeth began to tighten. Now my teeth are clean, my breath sweet, and my mouth completely healed."
The experience of Mrs. Travis is duplicated in hundreds of other cases. If you have pyorrhea—or threatened with pyorrhea—your teeth are in danger. Quick and effective treatment is necessary. You can test, without money risk, the treatment used by Mrs. Travis. Simply write the Morrison Co., 2700 Gateway Station, Kansas City, Mo. Under their guarantee of refund send two cents. Or, postage man the \$2 with a few cents postage. Use the treatment 7 days. They will be not only satisfied, write back at once and your \$2 will be refunded.

The BULL'S EYE

Editor and General Manager WILL ROGERS

Another Bull Durham advertisement by Will Rogers, Ziegfeld follies and screen star, and leading American humorist. More coming. Watch for them.

THE fourth of March is a Politician's uncertain day. He is either coming in or going out. If he is staying in it's because they haven't got wise to him yet. I have always said Office holders should be elected for life (subject, of course, to impeachment for neglect or dishonesty). Then they could give their work all of their time, instead of worrying about how to stay in, and that would do away entirely with the biggest social problem we have to face in this country. And that is the thousands of Individuals who go through life just trying to get in office. If we could get their mind off offices, and get 'em to working at something useful. But what's the use talking about a Heaven on earth. We got to die to get rid of the Office seeker, and then I bet you we will find them, either wanting to have Saint Peter impeached, or to get a job as Superintendent of the Furnace. Oh Yes, I like to forget 'Bull' Durham. It will be on sale in both places, no advance in prices.

Will Rogers
P. S. I'm going to write some more pieces that will appear in this paper. Keep looking for them.
MORE OF EVERYTHING for a lot less money. That's the net of this 'Bull' Durham proposition. More flavor—more enjoyment—and a lot more money left in the bankroll at the end of a week's smoking.

DREADFUL PAINS

Georgia Lady, Who Had Lost Too Much Weight, Was Advised to Take Cardui and Is Now Well.

Columbus, Ga.—Mrs. George S. Hunter, of this city, writes: "After I married, thirteen months ago, I suffered with dreadful pains in my sides during... My side hurt so bad it nearly killed me. I had to go to bed and stay sometimes two weeks at a time. I could not work and I just dragged around the house."

Take CARDUI THE WOMAN'S TONIC
I got very thin—I went from 126 pounds down to less than 100. My mother had long been a user of Cardui and she knew what a good medicine it was for this trouble, so she told me to get some and take it. I went to the store after it and before I had taken the first bottle I began to improve. My side hurt less and I began to improve in health... The Cardui came as a fine tonic and I do not feel like the same person. I am so much better—I am well now. I have gained ten pounds and am still gaining. My sides do not trouble me at all. I wish every ailing woman knew about Cardui." NC.160
