PALE, NERVOUS

West Virginia Lady Says That She Was in a Serious Condition, But Is Stronger After Taking Cardui.

Huntington, W. Va.—"I was in a very weak and run-down condition—in fact, was in a serious condition," says Mrs. Fannie C. Bloss, of 1964 Madison Avenue, this city.

"In my left side the pain was very severe. It would start in my back and sides. Part of the time I was in bed and when up I didn't feel like doing anything or going anywhere.

"Life wasn't any pleasure. I was very pale. I was nervous and thin, and so tired all the time.

"My druggist told me that Cardui was a good tonic for women and I bought a couple of bottles. I took two bottles, then I noticed an improvement. I kept on and found it was helping me. I have taken nine bottles. I'm stronger now than I have been in a long time."

Cardui is made from mild-acting medicinal herbs with a gentle, tonic, strengthening effect upon certain female organs and upon the system in general.

Don't Let It Hold You Back!
Don't spend another season in the mud; don't let it delay your work, hold you back and cost you money. Lay Concrete walks and driveways around your place, out to the road to the barn, stable, garage—wherever you need them. The sooner you do it, the quicker you benefit!
Concrete provides hard, smooth footing for your car, trucks and teams; makes your work easier, helps you get around quicker and saves your equipment.
