"In my left side the pain was very severe. It would start in my back and sides. Part of the time I was in bed and when up I didn't feel like doing anything or going anywhere.

"Life wasn't any pleasure. I was very pale. I was nervous and thin, and so tired all the time.

"My druggist told me that Cardui was a good tonic for women and I bought a couple of bottles. I took two bottles, then I noticed an improvement. I kept on and found it was helping me. I have taken nine bottles. I'm stronger now than I have been in a long time."

Cardui is made from mild-acting medicinal herbs with a gentle, tonic, strengthening effect upon certain female organs and upon the system in general.

# Don't Forget to Attend Majestic Range Demonstration

From June 8 to June 13 will be Majestic Week in Williamston, with an expert representative here to hold demonstration and give information as you may need to use a Majestic successfully. With every range bought this week a beautiful set of ware will be given free. You may take your choice of polish copper or the enameled.

Every user of the Majestic is a booster. Just ask your neighbors how they like the Majestic. Every part of the new Majestic has been refined to look as well as artistic skill can make it. The pictures show the smooth "nickel finish" and the graceful streamline effect that you admire in your favorite automobile. No other range approaches the new Majestic in those features that give better cooking and economy, and in its latest design it stands alone in point of beauty.

Be sure to see the new Majestic, built to please you in its every part, at your dealer's. We appreciate the fact that everyone is busy at this season of the year, and if you don't have time to call in at the store, just drop us a card and we will have the Majestic man call on you.
