

THE Green Tag

FESTIVAL — JUNE 12 TO 20

The business house of Margolis Brothers and Brooks has always prided itself upon their "100 per cent satisfaction or money back" guarantee. For years we have enjoyed the confidence of the best people of this section and never has there been any article of merchandise sold over our name but that we have personally taken an interest in, knowing we were making friends and customers, as well as a legitimate profit.

Our sales in the past have always meant a real saving to our customers. Our regular stock of merchandise—all our high grade brands, such as Society Brand Clothes, Florsheim and Walk-Over Shoes, Knox Hats, Manhattan Shirts, Chicken Brand Dresses, Cortley, jr., Clothes for boys, Humming Bird and Gotham Gold Stripe hose, and the many other brands of strictly high class merchandise such as are used and desired by the discriminating public—are offered to you at a real reduction and genuine saving.

No cheap merchandise has been placed on our shelves especially for this great Green Tag Festival because—First, we have a reputation to maintain; Second, we know that you know the difference; Third, we have been in business here for five years and built our business on the policy of honesty; Fourth, we expect to always maintain our high standards of business integrity.
