BACKWARD (or backward, O time in your flight—bring me an old-fashioned paper tonight; Butter-milk biscuits and black-berry jam, — Good country butter and sugar-cured ham. I would have laughs like Ma used to make, — Pass me the steak, Brother — pass me the steak!

Once I ate holiday—finer than silk, now, it's ground corn-cobs and rickety milk — that was never inside of a cow—made out of white-wash, the devil knows how! Dizzy, faint-hearted and weak in the legs, — Pass me the eggs, Brother, pass me the eggs!

I have grown weary of "tail-ings" and "shorts" said to cure gonorrhea—~~and gonorrhea~~—and "ears". Weary to death of their "sanitary" dishes, — pass me the wafers and patented cakes, — Wafers of "health-food" that leads men to kill, — Bring me my bill, water—bring me my bill!

FEMALE HELP WANTED. "LADIES" To finish silk Underwear home by Hand or Machine. Pay or full time. No cash down. Reply, Keystone Mills, Amsterdam, N. Y.

The House that Jack Built

He Bought it All Right Here in Williamston

Lumber and Building Materials

There are many homes, business houses and structures which year after year are proving our claim that the best economy is to use only first-grade lumber and building materials.

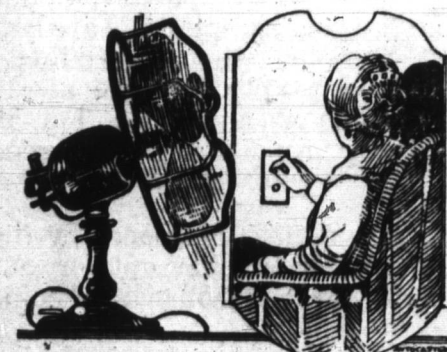

Our policy of best materials at lowest prices accounts for the growth of our business. If you are planning to build, we want to supply the lumber and materials. Our service to you includes plans of all kinds and a personal interest in the construction which you get only by buying at home. Let's talk it over.

"JACK BOUGHT HERE"

Roanoke Supply Co.

ELECTRIC FANS, HEATERS AND CURLING IRONS

Press the button and keep cool. Come in and inspect our fans and other electrical equipment. They give satisfaction.

This is the electrical age. The comfort and labor-saving devices which may seem a luxury today will no doubt be common and accepted home equipment within the next three years.

Have your home wired in a thorough manner, with plenty of lights and convenient plugs in every room. Then come to our store and select the equipment.

PAINTS

And Painting

Aside from the great improvement in appearance, painting is essential in preservation of your property.

GOOD PAINT—put on in the right way—is the finishing touch for that home, which will increase its value at long ten times over the cost of the paint and workmanship.

In Business Quarter of a Century

We have the paint, and we will contract the job, guaranteeing satisfaction in every respect. Pure oil and lead, and the foundation of our guaranteed paint. For new homes or old homes. See us now. This is the ideal time of the year to paint.

HARDWARE

"One swallow does not make a summer," neither does a door knob make a home—still both add a great deal of atmosphere and character, as you may have observed.

Our shelf hardware for house finish, is new, modern, and distinctive. Let us show you. After the home is completed, you will need some garden implements, hose, and a few household tools. Let us show you our line. Call—pepper prices can't be beat.

Culpepper Hdw. Co.

PLUMBING

Do not build without giving thorough consideration to the convenience and comfort plumbing can give in that new home.

Let us show you ideal home equipment and make an estimate on the cost of the completed job.

It is much cheaper to have it all you will want it while construction work is in progress. Make your home modern with the new plumbing comforts you are building. Our prices are very reasonable.

Home Furnishings

Some of that old furniture is going to look a little lumpy when you move into that new home, and no doubt you will want to furnish up with new pieces and maybe suits. If so, do not fail to take advantage of the bargain we are offering on brand new furniture.

Rugs, curtains, and drapes are always needed in the new arrangement of home. You will find many money-saving offerings in our rug and curtain department.
