

GOOD ATTENDANCE AT SUNDAY SCHOOL CONVENTION

(Continued from page one)
Grove Baptist as well as from the local churches.

Mr. Sims began his morning lecture in his characteristic manner, so entertainingly did he talk that none missed a word. His ready wit and pleasing personality draws his audience to him unfailingly. "Steps of Progress in Sunday School Work" was his subject this morning. He took Rip Van Winkle on a sight seeing trip, pointing out the great progress along all lines and then compared progress in every other field to that of the Sunday Schools. He said that it is the duty of the Sunday School to have everything as modern as it can afford and work along modern principles.

The standard by which he asked those present to measure their particular school was very convincing and good lessons were learned from his deductions.

The afternoon session began at 2:00 this afternoon and will be reported in our next issue.

Gold Point Loses To Jonesville, 4-3

On Wednesday, June 24, the Gold Point baseball team, badly crippled by the absence of three regulars, visited Jamesville and met the team there in one of the most interesting and hotly contested games of the season. The score was 4 to 3, in favor of Jamesville, the Pointers losing on errors, which accounted for two of the Jamesville scores. The other two were home runs by Gurkin and Lilley.

All of the Pointer runs were earned, two coming in the fifth frame when Taylor parked the ball over the right-field fence after Griffin had doubled. The other came in the seventh when M. Grimes singled, stole second, went to third on an infield out, and scored on R. Grimes's sacrifice fly to center.

Both pitchers were in fine form, each allowing six hits. Not a free pass was issued. Hardison contributed the fielding feature by a leaping, bare-handed catch of M. Grimes's drive in the ninth which looked good for a home run.

The next game between the two teams will be played Saturday afternoon. An interesting game is anticipated.

The score by innings:
Gold Point 000 020 100-3
Jamesville 101 100 10x-4
Batteries: R. Grimes and M. Grimes, Gardner and C. Brown.

LOSES LIFE'S SAVINGS; FACES DEATH PENNILESS

Will Slaton, one of Williamston's oldest negroes, is suffering from hiccoughs. It is stated that he is almost at the point of death. His case, when viewed back several years up until now, is one of the most striking that we know. Living from what might be termed, the garbage can for many years in order that he might save his small earnings he now faces death penniless. His life's savings are lost, and though a life time was required the old negro only accumulated \$1,009. While it is not lost, this amount is awaiting the straightening out of one of the bank's business. But for him it is lost forever, because his life is almost spent.

ATTEND CONVENTION HERE TODAY AT METHODIST CHURCH

Among those attending the Martin County Sunday School convention here today are: Mrs. Vernon Ward, Robertsonville; R. A. Phillips, Everetts; Rev. and Mrs. O. E. Fox, Robertsonville; Mr. and Mrs. J. H. Harrell, Oak City; Mr. and Mrs. Joshua Coltrain, Riddick's Grove; Mr. C. L. Daniel, Holly Springs; Miss Violet Rogers and Jimmie Rogerson, Robertsonville.

Think of It Folks! Biteless Mosquitoes

Even the pesky mosquito finds this science has discovered a way for folks to keep him away. Who will he bite and pester? Surely not the wise people who use this new salve called, Cru-Mo when mosquitoes begin to buzz.

Cru-Mo is not like the old fashioned smelly oils. It is a white, stainless salve, as agreeable to the skin as dew to the grass.

If you want a summer without a mosquito bite, especially when they pester during the night, or for children, get a small tube of Cru-Mo from your druggists. Try it tonight.

It has an all night effect and makes sleep too sweet for words. Just as good to stop sunburn torture.

Notice of a Special Tax Election July 14th, 1925, in Smithwick District, Martin County, North Carolina.

In compliance with the wishes of a petition signed by a necessary number of qualified voters of Smithwick school district, which was duly approved by the Board of Education of Martin County and in accordance with the provisions of Article 17 of the new school code of 1923.

Notice is hereby given that the election will be held in the old Smithwick schoolhouse of Smithwick school district, on the 14th day of July, 1925, in said Smithwick School district, which is described hereinafter for the purpose of ascertaining the will of the qualified voters of said district as to whether a majority of such voters favor the levying and collecting annually, of a special tax with which to supplement the funds for six months public school appropriated by the board of education, and annexation of Smithwick School District to Jamesville school district, the rate of said special tax not to exceed a maximum of 30 cents on the \$100 valuation of all property, real and personal, within the bounds of the districts, described as follows:

Beginning at Gardner's Creek bridge running up the creek to W. W. Robertson's mill; thence up the mill pond to Cypress Branch; thence along C. C. Keys' line to the Tarleton Road, thence along said road to Deep Run; thence down Deep Run to Bulberry Branch; thence up Mulberry Branch to the Jones Road; thence up said road to the colored Baptist church, known as St. James; thence a straight line to Wiltz Siding; thence along said road to the Jamesville and Williamston road; thence along the old boundaries to Devils Gut, "Swains Landing," thence across Devils Gut to Kaders Eddy; thence down Roanoke River to

Jamesville School District line; thence along said line to Gardner's Bridge, the beginning.

At said election, those who are in favor of the levy and collection annually of a special tax of not more than 30 cents on the \$100 valuation and the annexation of Smithwick school district to Jamesville school district shall vote a ticket on which shall be written or printed the words, "For local tax," and those who oppose the levy and collection annually of a special tax of not more than 30 cents on the \$100 valuation and annexation of Smithwick school district to Jamesville school district shall vote a ticket on which shall be written or printed the words "Against a local tax."

That Mr. J. A. Gardner be and he is hereby appointed registrar, and Mr. W. C. Griffin and Mr. Clyde Williams are hereby appointed poll holders for said election.

That a new registration is hereby ordered and that the registration books will be open for such purposes beginning with the 3rd day of June, 1925, and will continue open until the 4th day of July, 1925. The registrar will be at his residence during the above dates for the purpose of registering all those qualified to vote in said district.

Done this 1st of June, 1925, by order of the board of county commissioners of Martin County.

By HENRY C. GREEN, Chairman.

TIMBERLAKES' WAREHOUSE

WILLIAMSTON, NORTH CAROLINA.

We Sell Tobacco, Not the Man.

North Carolinians Do You Realize

That the millions of dollars difference a year between 20-cent tobacco and 12-cent tobacco will make or break prosperity on the farms and in the towns of the tobacco section of our State?

Do you know that the lowest average price received by the farmer of North Carolina for his tobacco in any one year since cooperative marketing of tobacco is higher than the highest average price paid him for tobacco in any one year before the World War?

Mr. Farmer! Mr. Merchant! Mr. Banker! For forty years before they formed the Tobacco Growers Cooperative Association farmers of North Carolina and Virginia averaged 12 1-2 cents a pound for their tobacco on the Winston-salem and Danville markets, including in that average the highest prices of history in the war years from 1917 to 1919. Leaving out the war years, tobacco averaged less than 10 cents over a period of thirty years in Virginia and North Carolina.

During the three years of operation by the Tobacco Growers Cooperative Association, farmers of Virginia and the Carolinas have averaged better than 20 cents a pound for their tobacco.

The difference between 12-cent tobacco and 20-cent tobacco has meant a difference of more than 120 MILLION DOLLARS cash on the farms, in the stores and in the banks of the Virginia-Carolina tobacco country during the past three years.

Mr. Farmer! Mr. Merchant! Mr. Banker! Are you thinking at all about the future prosperity of our section? Do you want to keep those extra millions of dollars at home here in North Carolina for the next three years, or shall they go off to New York and to England as in times past?

This is your problem, Mr. Business Man and Mr. Farmer.

You can help to solve it by giving your support to

THE TOBACCO GROWERS COOPERATIVE ASSOCIATION
Raleigh, North Carolina
