You Always Get The High Dollar When You Sell With Us

The time is drawing near when you will decide with whom you will sell your tobacco. Possibly this is a more important decision than you would at first realize; for a bad decision might mean a loss to you. The first question you will ask in making your decision is, **are the people with whom I wish to sell, good judges of tobacco and do they back their judgment?** H. A. and J. T. Timberlake will run our sales. H. A. Timberlake, known to thousands of farmers as "Uncle Tim" has had 39 years of experience in the tobacco business. J. T. Timberlake, always called Tom, has been in the tobacco business for the past 21 years. Experience is worth something in every kind of business, and especially is this true in the tobacco business. **WE ALWAYS STICK TO OUR BID—AND MAKE EVERY PILE OF TOBACCO BRING ITS HIGHEST MARKET VALUE.**

E. H. Willard has been in the tobacco business for ten years, and he will have charge of the office—he will serve you in anyway possible.

We especially invite you to visit our sales, compare them with those of any other house or houses, market or markets, and if you find, after making this comparison, that we are as good as or better than any of the others, give us your business.
