### WALTER L. MAIN CIRCUS TO SHOW HERE SEPT. 26

The billboards and dead walls about the city are announcing that the famous Walter L. Main shows are to visit Williamston Saturday, September 26. Great interest attaches to the event, particularly so because the big show is one of the few tented exhibitions offering an array of trained wild animals. The Walter L. Main Shows for nearly half a century, to be exact, 46 years, have stood at the top among the high-class shows.

Beginning as a small wagon show each year has seen a steady growth. Until today the mere announcement of the appearance of the Walter L. Main shows is synonymous with the fact that the patrons will see a clean, high-class entertainment, free from objectionable features, embodying all that is great and entertaining in the realm of the "white tops."

A special train of double-length rail road cars will bring the big show here. The big show represents an expenditure of more than \$750,000. There are upwards of 700 men, women and horses with the show; almost ten acres of tents; a herd of elephants; a caravan of camels; one of the most interesting traveling menageries; five bands of music; scores of curiosities and oddities from the four corners of the world.

There will be two performances, at 2 and 8 p. m., the doors opening at 1 and 7 p. m. A concert of popular and operatic music will be given by Prof. John Griffin's military band an hour preceding each performance. An immense street parade will be seen on the down-town streets at noon on show day.—Press agent.

Georgia Lady, Who Had Lost Too Much Weight, Was Advised to Take Cardui and is Now Well.

Columbus, Ga.—Mrs. George S. Hunter, of this city, writes: "After I married, thirteen months ago, I suffered with dreadful pains in my sides during... My side hurt so bad it nearly killed me. I had to go to bed and stay sometimes two weeks at a time. I could not work and I just dragged around the house. "I got very thin—I went from 125 pounds down to less than 100. My mother had long been a user of Cardui and she knew what a good medicine it was for this trouble, so she told me to get some and take it. I sent to the store after it and before I had taken the first bottle I began to improve. "My side hurt less and I began to improve in health... The Cardui acted as a fine tonic and I do not feel like the same person. I am so much better. I am well now. I have gained ten pounds and am still gaining. My sides do not trouble me at all.
