BILIOUS ATTACKS

From Which Kentucky Man Suffered Two or Three Times a Month, Relieved by Black-Draught.

Lawrenceburg, Ky.—Mr. J. P. Nevins, a local coal dealer and farmer, about two years ago learned of the value of Theodor's Black-Draught liver medicine, and now he says:

"Until then I suffered with severe bilious attacks that came on two or three times each month. I would get nauseated. I would have dizziness and couldn't work. I would take pills until I was worn-out with them. I didn't seem to get relief. After taking the pills my bowels would act a couple of three times, then I would be very constipated."

"A neighbor told me of Black-Draught and I began its use. I never have found so much relief as it gave me. I would not be without it for anything. It seemed to cleanse my whole system and make me feel like new. I would take a few doses and get rid of the bile and have my usual clear head, feel full of pep and could do twice the work."

IF YOU GET UP NIGHTS YOU'RE OLD BEFORE YOUR TIME

Prostate and Bladder Trouble Makes Many Men Feel Twenty Years Older Than They Are.

It is said that fifty per cent of men past forty and many younger ones are victims of prostate trouble. One of the commonest symptoms of this dangerous disease which saps vitality and makes you old before your time is the necessity of getting up several times a night.

Other symptoms are dull, dragging, aching at the base of the spine, pain in groin, burning sensation of organs, lack of vigor and frequent attacks of the blues.

But there is hope for you, no matter how old your case, from a wonderful new formula. It seemingly brings new health, vigor and freedom from these troubles to both old and young.

This wonderful treatment is known as Walker's Prostate Specific, and is prepared in convenient, pleasant tablet form. All you need do is take one tablet after each meal and the symptoms seem to vanish like magic.

To prove these statements the Walker Institute, 1896 Gateway Station, Kansas City, Mo., generously offers to send a \$1 treatment under plain wrapper, postpaid and free of charge to any sufferer who will write for it. If it cures you, tell your friends and pay whatever you think is fair, otherwise the loss is ours.

Remember that you are the judge, and you pay nothing now or at any time unless you wish, so send your name today before the introductory offer is withdrawn. It is good for only 10 days and guaranteed in every way.

Improving on History

I just finished hearing a Politician, one of the Washington Boys, talk on Abraham Lincoln. The only thing I could picture in common between him and Lincoln was that they had both been in Washington. When a Politician starts talking about himself he is talking about Lincoln. Lincoln has had more Public men speak of his good qualities, and fewer copy any of them, than any man America ever produced. His famous address was only about two hundred words long. No Politician has ever been able to even copy his briefness. In fact that is the last one of his qualities that they would try to copy. Lincoln said more in those 200 words than has been said in the entire City of Washington in the last 10 years, and here is a quality that no historian or speaker has ever brought out before. At the completion of the Gettysburg speech, he wisely refused one of Grant's Cigars, and borrowed a sack of "Bull" Durham from an Ex Southern private, rolled his own, got on his Mule and went back to Washington.
