Rocky Mount to Have Gala Day November 11

(Special to The Enterprise)
Rocky Mount, Oct. 28.—Auto races will be staged on the local fair grounds Armistice Day, November 11, according to arrangements just completed whereby this city is to have the first strictly professional and sanctioned races ever staged here. Due to the large number of dirt-track pilots agreeing to stop here en route to Florida liberal purses have been offered and such pilots as Wild Bob Robinson, now holder of the world's half-mile dirt-track record, Jules Devereaux, all Canadian title holder, Doug Wallace, Dixie speed marvel, and Toni Bani, twice Italian road-racing champion, will be in the list of entries along with a dozen other well-known drivers. The events will be sanctioned by the National Motors contest board and will mark the last official meet of the season. Six events will be staged and an open to the world policy will assure a large entry list.

An added feature will be the game between the original American and British auto polo teams. These teams are the same that have toured the United States, England, the Far East, and the Orient, and will sail from San Francisco in December for a 12-week tour of Australia. The engagement here will be their last appearance in this country till next spring.

With the business houses closing and several military activities, this city will present a gala day program

Head and Chest Colds Relieved In a New Way

A Salve which Releases Medicated Vapors when Applied Over Throat and Chest.

Inhaled as a vapor and, at the same time absorbed through the skin like a liniment, Vicks VapoRub reaches immediately inflamed, congested air passages. This is the modern direct treatment for all cold troubles that is proving so popular in Canada and the States where over 17 million jars are now used yearly.

Splendid for sore throat, tonsillitis, bronchitis, croup, head and chest colds, catarrh, asthma or hay fever. Just rub Vicks over throat and chest and inhale the medicated vapors. It quickly loosens up a cold.
