### COURTING ON EDEN HOUSE BEACH

On Eden House's fair and shining shore  
Where waters sparkle and billows roar,  
The lovers lying by the river side,  
Their feet dangling in the moonlight tide,  
Whispered words that thrilled the heart  
That ardent love can only impart.  
One arm around her dainty waist,  
He pressed her in a fond embrace,  
And thus poured forth his hearts desire  
With burning zeal and Cupid's fire.  
No words my darling can express  
The love that's throbbing in my breast;  
It came unbidden and will abide with me  
Through the countless ages of eternity.  
Place your fair hand in mine, dear girl,  
For you are the sweetest in the world,  
And say, all of self has softly died in me.  
Thy noble heart is beating in my breast.  
There let it gentl rest  
And know dear love I am lost in thee.  
At this juncture of heavenly bliss  
He drew her close for a nectar kiss;  
She gave a scream of fear and pain  
That caused him not to kiss again.  
Did I squeeze you too hard, dear girl?  
I wouldn't hurt you for all in the world,  
Oh! my dear boy, no! no! no!  
A crab has me by my big toe.  
A shapely leg went up in the air,  
Showing a festive crab was dining there.  
J. H. E.

The above poem will be read with much interest by the many friends of Mr. Etheridge of Eden House Beach.

### Colonel Mitchell Making High Scores

From press reports Col. William Mitchell is giving the air service too much air. The Court Martial proceedings are giving Mitchell a golden opportunity to develop his general line of charges recently made against both the army and navy departments. If Mitchell is adjudged guilty by the court he will not be dishonored in the minds of the people.

### PALE, NERVOUS

West Virginia Lady Says That She Was in a Stronger Condition, But Is Stronger After Taking Cardui.

Huntington, W. Va.—"I was in a very weak and run-down condition—in fact, was in a pitiful condition," says Mrs. Francis C. Blain, of 1964 Madison Avenue, this city. "In my left side the pain was very severe—it would start in my back and sides. Part of the time I was in bed and when up I didn't feel like doing anything or going anywhere.

"Life wasn't any pleasure. I was very pale. I was nervous and thin, and so tired all the time. My druggist told me that Cardui was a good tonic for women and I bought a couple of bottles. I took two bottles, then I noticed an improvement. I got on and found it was helping me. I have taken nine bottles. I'm stronger now than I have been in a long time."

Cardui is made from soothing medicinal herbs. It's a gentle, strengthening, safe, and certain female tonic and upon the system in general.

Sold everywhere. NC163

## Concrete for Permanent Farm Construction

You know how quickly most things wear out - how often you must spend time and money to repair or replace them. Not so with Concrete Farm Improvements. First cost is last cost, when you build with Concrete. Concrete never wears out; never needs expensive repairs; never burns, rots, rusts or decays. Concrete Improvements add a dollars and cents value to farm property far in excess of their small cost. Concrete is the farmer's easiest-to-work and least expensive construction material. The farmer can use Concrete to better advantage than anyone else, and for very little cash outlay can put in needed improvements that will save time and money, make his work easier, and make his place more profitable and more valuable. Put in Concrete Improvements this year. Ask any Security Cement dealer how you can do it yourself; or write direct to the manufacturer for helpful information.
