

NEWS OF INTEREST

To all Ladies of Martin and Adjoining Counties

FRIDAY and SATURDAY

On Friday and Saturday we will make final clearance of all ladies' coats, including the highest priced ones with luxurious trimming and made of the finest material. The prices we have put on these garments will necessitate very early shopping, as they can't last long. We have arranged our stock so as to handle the crowd much better than at our sale of dresses.

Mr. Hoyt has just returned from New York, and we are now showing the lip stick red dresses which have taken that city by storm.

LADIES:—Take a tip from us. Drive over and look these coats over, and you will surely take one home with you.

"The Shopping Place After All"

Mamie Corey Recovers Sight in One Eye

To the public:

For several years my sorrows have been wide and my troubles deep, but in all my losses and sadness, I believe the Lord has heard my prayers and has seen fit to open up one bright spot on earth for me. He gave Dr. John F. Woodward, of 503 Tayloe Building, Norfolk, Va., strength and power to operate upon my left eye and cause me to see after I had been blind practically a life time. He says he will not be able to work upon the right eye until 12 months after the first operation. I am writing this so that others who might be in my condition can profit by my experience. Three doctors had pronounced my case hopeless, and now that I can see my happiness is so great and my appreciation of the Lord's goodness so boundless I must pass it on.

Sincerely,
MAMIE E. COREY.
