How Doctors Treat Colds and the Flu

To break up a cold overnight or to cut short an attack of grippe, influenza, sore throat or tonsillitis, physicians and druggists are now recommending Caldiol, the purified and refined calomel compound tablet that gives you the effects of calomel and salts combined, without the unpleasant effects of either.
One or two Caldiols at bed-time with a swallow of water—that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasure. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you please—no danger.

DREADFUL PAINS

Georgia Lady, Who Had Lost Too Much Weight, Was Advised to Take Cardui and Is Now Well.

Columbus, Ga.—Mrs. George S. Hunter, of this city, writes:
"After I married, thirteen months ago, I suffered with dreadful pains in my sides during... My side hurt so bad it nearly killed me. I had to go to bed and stay sometimes two weeks at a time. I could not work and I just dragged around the house.
"I got very thin—I went from 125 pounds down to less than 100. My mother had long been a user of Cardui and she knew what a good medicine it was for this trouble, so she told me to get some and take it. I sent to the store after it and before I had taken the first bottle I began to improve.
"My side hurt less and I began to improve in health... The Cardui acted as a fine tonic and I do not feel like the same person. I am so much better. I am well now. I have gained ten pounds and am still gaining. My sides do not trouble me at all.
"I wish every suffering woman knew about Cardui."

THIS IS A STUDEBAKER YEAR

Pledge to the Public on Used Car Sales

1 All used cars offered to the public shall be honestly represented.
If a car is suitable only for a mechanic who can rebuild it, or for some one who expects only a few months' rough usage on a camping trip, it must be sold on that basis. Each car must be sold for just what it is.

2 All Studebaker automobiles which are sold as CERTIFIED CARS have been properly reconditioned, and carry a 30-day guarantee for replacement of defective parts and free service on adjustments.
This is possible because tremendous reserve mileage has been built into every Studebaker, which it is impossible to exhaust in years.

3 Every used car is conspicuously marked with its price in plain figures, and that price, just as the price of our new cars, is rigidly maintained.
The public can deal in confidence and safety only with the dealer whose policy is "one price only—the same price to all." For, to sell cars on this basis, every one of them must be honestly priced to begin with.

4 Every purchaser of a used car may drive it for five days, and then, if not satisfied for any reason, turn it back and apply the money paid as a credit on the purchase of any other car in stock—new or used.
It is assumed, of course, that the car has not been smashed up by collision or other accident in the meantime.

Not only to the public, but also to The Studebaker Corporation of America, whose cars we sell, we pledge adherence to the above policy in selling used cars.

SWAN MOTOR CO.

The Studebaker Corporation of America takes pride and pleasure in announcing that the above Pledge is being carried out by

WILLIAMSTON New Bern, N. C.

WASHINGTON

THE Pledge speaks for itself. It is a formal declaration of the fair and square attitude of Studebaker dealers toward the public. It is an assurance of honest dealing in a line of merchandising

which in some times and places has fallen into ill repute: It is an assertion of confidence in the reserve mileage built into the sturdy "one-profit" Studebaker automobiles.
