GREAT STRENGTH

of imagination is necessary for our reason in believing that Adam was made first in order to give him a chance to get in a few words edgewise; however, Eve had the satisfaction of never having to listen to any of Adam's wheezes about his mother's cooking. Man comes into this world without anything on him, but in a short time everybody has something on him; if you're a married man and promise your wife "pin money," have an understanding with her that the "pins" she buys won't be studded with diamonds; you'd be safe in promising her that Lindsley-Lilley coal gives more heat at less cost than other brands on the market. It took us some time to choose our coal for our service, but we finally selected it because of the predominance of this coal.

Huntington, W. Va.—"I was in a very weak and run-down condition—in fact, was in a serious condition," says Mrs. Fannie C. Bloss, of 1964 Madison Avenue, this city.

"Life wasn't any pleasure. I was very pale. I was nervous and thin, and so tired all the time.  
"My druggist told me that Cardui was a good tonic for women and I bought a couple of bottles. I took two bottles, then I noticed an improvement. I kept on and found it was helping me. I have taken nine bottles. I'm stronger now than I have been in a long time."
