Retired Minister Tells How He Keeps in Good Form With the Assistance of Black-Draught.

West Graham, Va.—The Rev. Lewis Evans, a well-known retired minister, now past 80, living here, has a high opinion of Black-Draught, which he says he has taken when needed, for 25 years. "For years I had been suffering with my liver," he says. "Sometimes the pain would be very intense and my back would hurt all the time. Black-Draught was the first thing I found that would give me any relief. My liver has always been sluggish. Sometimes it gives me a lot of trouble. I have suffered a lot with it—pains in my side and back, and bad headache, caused from extreme biliousness. After I found Black-Draught, I would begin to take it as soon as I felt a spell coming on and it relieved the cause at once. I can recommend it to anybody suffering from liver trouble. A dose or two now and then keeps me in good form."

Made from selected medicinal roots and herbs, and containing no dangerous mineral drugs, Black-Draught is nature's own remedy for a tired, lazy liver. NC-166

RESOLUTIONS OF RESPECT

The young peoples class of the Oakboro Baptist Sunday school has sustained a great loss in the death of our faithful and loyal teacher, Mr. C. J. Whitley, whose death occurred a short time ago, the following tribute to his memory is an expression of our love and appreciation of him and of our sorrow of his going.

On Monday morning, February 15, 1926, the gentle spirit of our friend and teacher passed away to be with God. Mr. Whitley was interested in our class, the Sunday school, the church and every good work that he could do, and we miss his presence at our various meetings which he so faithfully attended.

We weep not as those who have no hope, for we feel that our loss is his gain, that he is at rest with God, whom he served. He was understanding and forgiving and his Christian character was an inspiration to us. He will long be remembered by us.

To the bereaved wife and relatives we extend our deepest sympathy in this trying hour and direct them to God, our loving Savior, who is able to comfort their sad hearts. We look forward in faith and hope to that brighter day that is coming by and by, when there will be no more sad farewells and God Himself shall wipe all tears from our eyes.

Realizing our dependence upon God and our need of Him in time of sorrow and bowing in humble submission to His will, we the members of the young peoples class of Oakboro Baptist Sunday school.

Resolved

First, that we will in memory cherish his excellent spirit and noble character.

Second, by his death the church and our class have lost one of their beloved and loyal members.

Third, that we have dedicated a page in the minutes of our class for the inscribing of this letter by which his memory shall be perpetuated.

Fourth, that a copy of this letter be sent to the local paper for publication and a copy sent to the family.

Mrs. B. A. SIMPSON,
Mrs. D. HUNEYCUTT,
Miss LECTIE POPLIN,
Miss PERLIE MCINTIRE.

6. More per acre

Every acre must be made to yield its best to secure satisfactory profit.

It takes a certain yield to pay for the cost of production. All over this quantity is practically clear profit.

Farmers have found that more fertilizers per acre means more yield and more profit per acre.

Your safest way to insure profit is to use a liberal application of Swift's Red Steer Fertilizers containing 14 per cent or more of plant food.

Stubborn Coughs Quickly Stopped This New Way

It is often surprising how the most persistent, hacking cough that not only robs you of strength and sleep, but often leads to more serious trouble, yields quickly to a simple but wonderfully effective treatment.

This treatment is based on the prescription known as Dr. King's New Discovery for Coughs. You take just one teaspoonful at bed time and hold it in your throat for 15 or 20 seconds before swallowing it. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly removes the phlegm and congestion which are the real cause of night coughing. So with the cause removed, coughing stops quickly, your sleep undisturbed, and the entire cough condition soon disappears.

Dr. King's New Discovery is for coughs, chest colds, sore throat, hoarseness, bronchitis, spasmodic croup, etc. Fine for children as well as grown-ups—no harmful drugs. Economical, too, the dose is only one teaspoonful. At all good druggists. Ask for
