BOOK REVIEW

"Hounds of Spring," by Sylvia Thompson. Little, Brown & Co., Boston. \$2. Review later.

By C. H. DICKEY

A review copy of Sylvia Thompson's 1926 novel has just been received.

In a personal letter accompanying the book the company said, "This is our big novel of the spring, and bids fair to become the big novel of the season. It has had the largest advance sale of any novel which we have ever published by an unknown or an unestablished author, larger also than the advance sales of 'The Broad Highway,' by Jeffrey Farnol; 'If Winter Comes,' by A. S. M. Hutchison; and 'Soundings,' by A. Hamilton Gibbs, the best sellers of 1925."

This is a handsomely bound volume and has 366 pages.
