Get Rid of Roaches

They crawl up water pipes and through cracks—but you can stop them forever. Bee Brand Insect Powder will kill every one. Sprinkle or blow it into every crevice—all around your kitchen and pantry. It's harmless to mankind, domestic animals, birds and pets of all kinds, but death to roaches.

It also kills Ants, Fleas, Flies, Mosquitoes, Water Bugs, Bed Bugs, Lice on Foot, and many other household insects.

Get Bee Brand in red lifting top cans at your grocer's or drugist's. Household sizes, 10c and 25c. Other sizes, 50c and \$1.00. Puffer guns, 10c.

If your dealer can't supply you, send us 25c for large household size. Give dealer's name and ask for free booklet, "It Kills Them," a guide for killing house and garden pests.

WEAK, RESTLESS

Tennessee Lady Had So Little Strength She "Couldn't Get Around." Took Cardui With Benefit.

Gasaway, Tenn.—"I wasn't able to do any of my work, and it seemed like I had so little strength I just couldn't get around," says Mrs. Frank Murphy, who lives near here.

"My mother knew of the good Cardui could do, so she told me to take it. I sent and got a bottle, and seemed like all the time I grew stronger."

"I had been suffering with pains in my sides all the time, and Cardui helped this wonderfully. I needed a tonic for female troubles, and Cardui just fitted the need. I was awfully restless and could not sleep at night, but after taking two bottles of Cardui I could sleep like a top. I got along all right, and I know it was due to Cardui. I can certainly recommend it to women suffering from women's troubles."

"My present health is just fine." Thousands of women have written to tell how Cardui relieved them of pain and suffering, and helped them to improve in health and strength. Cardui is perfectly harmless, being an extract of mild-acting herbs, and contains no dangerous drugs or harmful ingredients.

Esso

Makes your motor young again

WHY is ESSO so much better than anything else you've ever used?

Why does ESSO do away with all motor knocks; why does it literally unlock all the latent power of your motor, make your car perform in traffic, on the hills, and over the long country roads in a manner so superior that there are no previous performance standards by which to judge it?

The answer is not difficult to find. It is because ESSO is not an experiment; not a chance product. On the contrary, ESSO has been developed out of the long refining experience of the Standard Oil Company (N. J.), and has been especially designed to give just this sort of super performance.

But the proof of what ESSO is really rests in your hands.

Test it today. Test it in any way you want. Start clean with a tankful of ESSO. Watch traffic melt away as you beat the whistle. Start cold on the longest, toughest hill you know. Watch ESSO pick up speed, go sailing over the crest in record time—clean ahead of the rest of the field. That's exhilaration, that's power, that's speed,—that's ESSO.

After this test—we'll leave ESSO to your judgment.

Red in Color. Packed with Power. Costs 5c more—worth it.

"Standard" Gasoline
 is the ideal fuel for normal requirements

ESSO is manufactured to meet the following special conditions:

1. For motors that knock.
2. For motors with excessive carbon.
3. For high compression motors.
4. For motors which from long use no longer develop full power.
5. For motors operating under excessive loads.
6. For any motor from which the driver demands extra power and performance.

What consistent use of Esso gives

1. All your motor's power—and no knocks.
2. Greater flexibility—less gear shifting.
3. Freedom from use of choke—no crank-case dilution.
4. Quick start—lightning fast.
5. Instant pick-up—quick as a cat.
6. Speed and pull for the long hard hills.
7. New and longer life to the engine.
