Miss Trentham Honored by Oak City Parent-Teacher Association

Oak City, July 31.—(Special to The Enterprise.)—Thursday evening from 9 until 10 at the home of Mrs. J. C. Ross, the Parent-Teacher Association gave a very enjoyable informal reception in honor of Miss Anna Trentham, home demonstration agent located at Williamston.

The reception committee was composed of Mrs. J. C. Ross, president of the association, and Mrs. Durward Smith, secretary. These were ably assisted by Mrs. B. M. Worsley and Mrs. Joe Ayers.

The spacious porch of the home where the crowd gathered was lovely with soft light and potted plants. Music for the evening was furnished by Miss Christine Piland at the piano. Old-time games, led by Mrs. J. S. Eakes, were enjoyed and took us back to childhood again. These being interspersed with discussions and pleasant anticipations of the future work we are to do under Miss Trentham's direction. Refreshing lemonade and wafers were served by Misses Emma Daniel, Eloise, and Mary Ruth Ross. Then Miss Trentham gave a very interesting talk about the work she looks forward to doing among us.

Some are anxious to learn to make lamp shades immediately, since Oak City now boasts of an efficient lighting system. Others want to know how to make pretty baskets, good rolls, winter gardens, etc.

Among those in the community attending were Mesdames J. A. Everett, Jesse Piland, Williams, Clark, Daniel, William Johnson, Nathan Hyman, Jesse Crisp, Ernest Harrell, Mr. and Mrs. Julian Mizell, Mesdames J. S. Eakes, Joe Ayers, B. M. Worsley, Durward Smith, J. C. Ross, and Misses Margaret Everett, Bertha Piland, Christine Piland, Naomi and Gladys Bennett, Ruth Harrell, Emma Daniel, Eloise and Mary Ruth Ross and others.

Mississippi Lady Says She Took Black-Draught for These Symptoms and Was "Greatly Relieved."

Starkville, Miss.—"I have been a user of Black-Draught for about twenty years," says Mrs. C. E. Buntin, of R. F. D. 5, this city.

"I used Black-Draught first for constipation," continues Mrs. Buntin. "I would feel dull, stupid, and have severe headaches, even feverish. I had an uneasy, tight feeling in my stomach.

"I read quite a bit about Black-Draught. I began using it and soon my bowels acted regularly and I was greatly relieved. I used it every once in a while for about eighteen years.

"About two years ago I found I was having indigestion, a tight smothering in my chest, then severe pain, especially after eating sweets. I commenced taking just a pinch of Black-Draught after meals and by doing this I could eat about anything.

"I gave Black-Draught to my children for colds and headaches. I can certainly recommend it."

Theodore's Black-Draught is recommended by thousands of others for the relief of indigestion, biliousness, and simple ailments due to constipation. Safe, easy to take. Costs only 1 cent a dose. NC-171

Pride of ownership is one of man's strongest emotions. It brings with it a sense of satisfaction hard to describe. Once established and enjoyed, however, many men have quickly climbed on to real success in life.

The building and loan companies of this nation could fill volumes in telling of the achievements of "just ordinary" men who found themselves through this method of home owning.

If you are not familiar with the building and loan plan, but wish to own a home of your own, we wish you would call at our office and let us explain in detail. It will be the best investment of time you ever made.
