A Distinctive Feature

of this youth is his far-sightedness; he was thanking a patent-medicine doctor for the wonderful results obtained from his medicine; when asked how many bottles he had taken, he replied, "I didn't take any of it; my uncle took one bottle, and I'm his sole heir." A distinctive feature about our ice is that unquestioned crystal clear purity that establishes its sanitation. Not only care in the freezing, but utmost sanitary care in handling projects you against the slightest impurity. Your telephone is our self-starter. For that always cheerful service phone 99.
