Tobacco on Our Floor

It is our desire and intention to give you the best house in which to sell your tobacco that has ever been your privilege heretofore. WE HAVE DOUBLED OUR FLOOR SPACE, have lighted it according to the advice of Expert tobacco men, have obtained the best auctioneer and office and floor help possible.

Mr. H. L. Barnhill will write your check, Mr. F. C. Bennett will be the utility man who will see that you are treated right in Every detail; and H. H. (Hubert) Morton will run the sale. You all know him—he guarantees you the top of the market always. IF THE BUYERS DON'T BUY, HE WILL. HE NEVER BACKS UP.

We want you to start with us, and we will do everything humanly possible to make you a whole crop customer. When in Williamston, visit our house and make yourself at home.
