CHILDREN'S ILLS

Arkansas Lady Says She Has Never Found a Better Laxative Than Theford's Black-Draught.

Mineral Springs, Ark.—“We use Black-Draught in our family of six children,” says Mrs. C. E. Nutt, of this place, “and we find it a good bowel regulator. I give it to my children for colds and constipation, or any other stomach disorders, and it certainly is very helpful. I have never known it to fail them. Where there are so many children, it is a good idea to keep a laxative on hand, and Black-Draught is what we use.”

“I have taken it myself for indigestion. I would feel dizzy, have gas and sour stomach. I would also feel a tightness in my chest. I took a good dose of Theford's Black-Draught when I felt that way and it would relieve me. I would feel better for days.”

“My husband takes Black-Draught for biliousness. He says he has never found its equal. When he has the tired, heavy feeling, he takes Black-Draught night and morning for a few days and he doesn't complain any more. I sure do recommend Black-Draught.”

Sold everywhere. Get a package of Black-Draught, today. Costs only one cent a dose. NC-175
