

# motor car Performance

that started the motor car industry

THE motor car industry was started when Buick presented the new Buick with an engine vibrationless beyond belief.

If you have driven this great new car, with this remarkable engine, you know why.

Its fluid smoothness makes other motor cars seem rough, harsh, noisy.

People who have driven Buicks for years and people who have owned much more expensive cars, are captivated by the luxury of this one.

# STOP! STOP! STOP!

IF YOU WORK, READ THIS AD AND THEN THINK OUR SUGGESTION OVER

We think everyone, after a hard year's work, should have a little pleasure.

Just at this time when you are having that pleasure you are entitled to stop one moment and think of your future of only a few years, when you will soon be old and gray.

WE HAVE A SUGGESTION THAT WILL DRIVE AWAY THIS WORRY

A bank account properly handled drives away worry and brings comfort. It is the beacon light pointing out the pathway to peaceful old age, which is sure to come. One dollar deposited each week in our bank may solve your problem. Why not start this now and watch the results?

OUR SERVICE IS ALIKE TO ALL
