Mississippi Lady Says She Took Black-Draught for These Symptoms and Was "Greatly Relieved."

Starkville, Miss.—"I have been a user of Black-Draught for about twenty years," says Mrs. C. E. Buntin, of R. F. D. 5, this city. "I used Black-Draught first for constipation," continues Mrs. Buntin. "I would feel dull, stupid, and have severe headaches, even feverish. I had an uneasy, tight feeling in my stomach. 'I read quite a bit about Black-Draught. I began using it and soon my bowels acted regularly and I was greatly relieved. I used it every once in a while for about eighteen years. 'About two years ago I found I was having indigestion, a tight smothering in my chest, then severe pain, especially after eating sweets. I commenced taking just a pinch of Black-Draught after meals and by doing this I could eat about anything. 'I gave Black-Draught to my children for colds and headaches. I can certainly recommend it.'"

Theford's Black-Draught is recommended by thousands of others for the relief of indigestion, biliousness, and simple ailments due to constipation. Safe, easy to take. Costs only 1 cent a dose. NC-171

GORMAN'S MARKET REPORT

We have first sale Monday, second sale Tuesday, first Wednesday, second Thursday, and first Friday.

Some of our competitors are making statements that are misleading. Compare our statements with those made by the supervisor. "Nuf Sed." We never mislead, but give facts and exact figures. The sales have been large all the week, but we had a sale every day and finished without 'blocking.'

Gorman's has sold this week 736,392 pounds for \$247,169.34, averaging \$33.56 for all sold. Prices were some easier on the medium tobacco Wednesday and Thursday, but on Friday we sold 190,772 pounds, averaging \$33.05; and, considering the quality, it was fully as high as our Monday's sale, when we sold 237,734 pounds and averaged \$35.77, as we had a lot of very common tobacco in Friday's sale.

We have a lot of new customers this week and all were highly pleased. If you are not selling with us, come and see our sales, or talk to some one who is selling with us, and we believe we will sell the balance of your crop. We do our work on the warehouse floor and our customers do our drumming.

Notice the two sales made with us last week. We could give you hundreds of others, but space in this advertisement will not permit.
