EVERETTS AND JAMESVILLE

BOYS TO PLAY HERE TONIGHT The high schools of Jamesville and Everetts will be well represented here tonight when the basketball teams of the two schools will play at the Brick mmediately after the Town Team-Ahoskie Collegiates game. It goes without saying that the game will be a good one. Everetts won the county championship last year, but did so when one of Jamesville's players received an injury. Had this not happened we doubt if the championship would have been decided. The two teams are in excellent condition for the game tonight.

Everetts came very near winning Mary Grady Gurkin, Err.est Harrison, the State championship last year when it met several teams at Chapel Hill. And they are rare, not because there are only a few, but simply because most of them have remained stored away and forgotten, in old trunks and closets.
