

## Auto Hits Pole

### No One Hurt; Little Damage Done to Automobile

A Dodge coach, owned and driven by Mr. Luke Lamb, of Wilson, went into a ditch on Watts street about 11 o'clock last night, knocking flat a light pole and throwing all the section of town across the railroad in darkness.

It is understood that the car went into the ditch when its driver attempted to make a turn at the corner of Main and Watts Streets and the steering apparatus locked. The car could not be stopped until it had made a head-first plunge into the deep ditch and had felled the pole. Damage not to exceed \$2 was done to the car, while the electric light and power department of the town suffered a damage estimated to be around \$30. All of New Town was placed in darkness when one of the primary wires on the pole gave way. With the high voltage carried by the wires, it is little less than a wonder that some one was not seriously injured, for the wires were only a few inches from the group. As it happened, no one was hurt either in the wreck or by the fallen pole and wires.

The superintendent of the power department was called and the current cut off from that part of town. The wrecking crew of the Williamston Motor Co. removed the car from the ditch this morning, while linemen are spending the greater part of today repairing the broken wires and pole.

### Number Farmers Are Losing Tobacco Money

The old game of standing around the tobacco markets and calling for the farmers' checks at the delivery window is still being played by the "sickers."

Numerous cases of this sort are occurring in the State every week. Most of these cases occur after the thief has grown very familiar with the farmer and learns well how to duplicate him when he calls for the checks and when he gets them cashed.

## Mrs. J. G. Godard is Hostess to Card Club

Mrs. J. G. Godard, jr., entertained her card club Thursday afternoon at her home in New Town.

There were four guests invited, which added another table to the club. These were Mrs. Herman Hornthal, of Norfolk, Miss Anna Crawford, Mrs. K. B. Crawford and Mrs. J. W. Watts, junior.

Mrs. K. B. Crawford made high score for the guests and was presented an attractive score pad and pencil. Mrs. C. H. Godwin was high scorer in the club and was given a piece of china.

The hostess served a delicious salad course, consisting of fruit salad, sandwiches, pickles, wafers, and coffee.

## Marriage and Divorce Statistics for County

Figures just announced from the Department of Commerce at Washington show the number of marriages in North Carolina in 1924 was 23,190 and in 1925 23,337, which figures six-tenths of one per cent increase.

The number of divorces in the State was 1,468 in 1924 against 1,576 in 1925, a percentage gain of 7.4.

Martin County had 198 marriages in 1924 and 199 in 1925. A great improvement in the divorce court is shown in the fact that there were 15 divorces in 1924 and only 8 in 1925. Guilford County led the State last year with 100 divorces. Buncombe led in 1924 with 102. Currituck County did not have a divorce in either year.

The counties with rural population were low in divorces, while those with the larger towns have the higher rate of divorces granted.

## FELT STUPID, DULL

Mississippi Lady Says She Took Black-Draught for These Symptoms and Was "Greatly Relieved."

Starkville, Miss.—"I have been a user of Black-Draught for about twenty years," says Mrs. C. E. Buntin, of R. F. D. 5, this city. "I used Black-Draught first for constipation," continues Mrs. Buntin. "I would feel dull, stupid, and have severe headaches, even feverish. I had an uneasy, tight feeling in my stomach. 'About two years ago I found I was having indigestion, a tight smothering in my chest, then severe pain, especially after eating sweets. I commenced taking just a pinch of Black-Draught after meals and by doing this I could eat about anything. 'I gave Black-Draught to my children for colds and headaches. I can certainly recommend it.'"

Thedford's Black-Draught is recommended by thousands of others for the relief of indigestion, biliousness, and simple ailments due to constipation. Safe, easy to take. Costs only 1 cent a dose. NC-171
