Biggs made the bridge club high score and was given score pads. The hostess served frozen fruit salad and nut bread.

CLASS OF '26 OAK CITY SCHOOL SENDS FOUR TO COLLEGE
The personal record of the members of the class of 1926, Oak City High School, is very interesting in that it gives the whereabouts of the pupils

of that class and what they are doing. The class, a very large one, sends four of its members to college, two to business schools and has two teaching.

The record follows:
Mildred Davenport, Allie Marie Roebuck, Sara Long Johnson and Pauline Davenport are in Teachers College, Greenville. They are enjoying their work there.

Pauline Johnson and Laura Harrell are taking a business course at King's in Raleigh.

Erma Johnson in teaching near Stokes. She likes her work very much.

Lillian Haislip is teaching at Council, N. C. We are sure that our Lillian makes a very good little school marm.

Rupert Rawles, our only boy, is leaving after Christmas for Massey's Business college. He too, realizes the meaning of our motto: "Not Evening

But Down" and has decided to push ever onward.
Eloise Ross, Margaret Hines, Mary Stokes, Mary Johnson, Ethel Denting, Gladys Bennette, Doris Hawley, and Christine Piland are spending the year at home. We wish each of them success in everything they do.

Oak City High School, you're the best. We know that you will stand the test. To you we'll ever be true. We'll love, cherish, and boast you. We miss you classmates and teachers dear.

But remember our thoughts are ever near. We'll stand by you in all that you do. For we're proud of our "Oak City High School."
—Class of '26.

GORMAN'S

MARKET

REPORT

The sales have not been large this week and this in the face of the Thanksgiving holidays, when we had no sales and a heavy season the first of the week; showing that the crop is nearer sold than ever before at this time of the year. Owing to the taking off of one set of buyers, giving us triple sales instead of four, as up to Thanksgiving, our sales cards as printed the first of the season has caused much confusion this week and caused us to lose much tobacco; many of our customers leaving home expecting GORMAN'S to have first sale and finding on nearing town that we had a second and fearing a block went elsewhere. **On Any Sale We Have from Now On We Can Guarantee to Sell You Soon After Dinner. There Will be No More Block Sales in Greenville This Season.**

Prices on the fine wrappery tobacco and good tobacco with body and character is as high as it has been. The thin bright cuttery leaf from thirty-two up looks low, all tobacco under thirty is fully as high as it has been. We have sold lots of barn cleanings and damaged tobacco this week but little fine tobacco, yet the 440,144 pounds we sold averaged \$26.47. GORMAN'S has sold to date 7,944,776 pounds. Bring us your tobacco and we will send you have satisfied.

Yours to Serve,

J. N. GORMAN & SONS
