## TERRIBLE PAIN

Alabama Lady Tells How She Obtained Relief by Taking Cardui. Feels Fine and Enjoys Life Now, She Says.

Talladega, Ala.—Mrs. Mary Hardy, 406 Henderson Avenue, this city, says that seven years ago she "got down sick" and was unable to attend to her household.  
"I have never been so weak before or since," she says. "I had a terrible pain in my side—so sore in my side and the lower part of my body."  
"Across my back ached, and I was so nervous I couldn't stand up. I had just about given up when some one who came to see me began talking about Cardui. This caused me to get it. I took about two bottles before I saw much improvement."  
"After this, though, I picked up right away. I slept better at night. I was hungry, enjoyed my food, which I hadn't done for some time. The pain and soreness gradually left my side. I regained my strength. I took about six bottles and left off for awhile, then took two or three more. I feel just fine, enjoy life and can work now, too."  
Cardui is purely vegetable, and contains no harmful drugs. It has helped thousands of suffering women and should help you, too. NC-163
