

Sports**Town Team Loses Its First Game****Sports****Windsor Loses Two Games to Local Hi Quint**

The local high basketeers triumphed over Windsor's school twice this week, winning in Windsor Tuesday night by a score of 14 to 10, and repeating their victory here Wednesday night by an increased score, 31 to 8. In the first game the Windsor lads played the locals to a close finish, but never threatened to come out with the big end of the score. On Wednesday night, the over-the-river boys were unable to keep pace with Keel and Peal in the scoring end of the game. The locals are fast building a splendid team in the school, and no doubt their efforts will reach into the game next year.

Washington Lassies Down Everettis, 30-7

The Washington High School girls defeated Everettis at Everettis last Tuesday night in a one-sided game, a 20 to 7 score resulting. The score, in all truth of the matter, shows up well for the Washington girls, but it fails to take in account the hard playing of the Everettis team. The game was attended by a large number of fans.

Robersonville Girls Swamp Nashville

The Robersonville High School girls basketball team dropped a game to Pinetops at Pinetops last Tuesday night by the very close score of 13-12. The Robersonville team outplayed their opponents in every phase of the game, and it was generally conceded that a different score should have resulted.

Boys Withdraw at End of Half
The Robersonville boys withdrew from the game with the Pinetops lads at the end of the first half, when the referee made it impossible for fair play to take place. At the end of that period, the score stood 4-0 in Pinetops' favor.

Jamesville Meets Farmville Tonight

Jamesville and Farmville meet tonight in Farmville, the two teams battling for the championship in their group. Jamesville eliminated Edenton last Friday night, and Farmville eliminated Ahoskie here last Tuesday night from the running in the State championship series. The Jamesville boys have undergone heavy practice here during the week, and a good game is expected in Farmville tonight.

Smithfield, 36; Town Team, 31

The Williamston town team's first defeat of the season came last night when the Smithfield National Guardsmen won in a hotly contested game by a score of 36-31. During the first quarter the locals led the visitors by small margin, but in the second period the guardmen went ahead and never allowed the town boys to tie the score. Unable to overcome their opponents' lead, the locals staged one of the hardest fights ever seen here on a basketball court. Britt played his best game while all members of the team showed up well with him.

The visitors won with their unique system of passing, while the locals lost many points when too long shots were attempted time and again. The game was well played and enjoyed by the spectators.

Next Tuesday night the Hampton Roads Air Station team comes here, and a good game is expected.

The game last night was played for the benefit of the Woman's Club, and it is understood that the club realized about \$33 on the contest.

Robersonville Girls Lose to Pinetops

The Nashville High School girls team was snowed under last night when Robersonville allowed the visitors only 2 points as compared with 32 made by Robersonville. The girls from Nash, while they played a hard game, were outclassed in every phase of the contest.

Best Game of Season Forecast Tuesday

The Naval Air Station at Hampton Roads is sending its cagers down our way, and when they meet the local town team here Tuesday night of next week an unusual game is expected, one that hasn't been equalled here before. The records of the two teams are most enviable, and it is upon them that all statements are made regarding the prospects of the game. The locals have lost but one game this year, and the boys from Hampton Roads have won 27 out of the 29 games played.

In a letter from the team's manager, it was stated that his team had won favor in all the towns where it had played, not only as a good team but for its smoothness in playing. The invaders will bring three former college stars, young men from several of the big northern colleges. Press reports covering games played by the air station boys place them in a high class.

The locals are practicing hard for the game with a great determination to do their best to win in the meet.

Jamesville Girls Win From Locals

In a game without features, the Jamesville High School girls defeated the locals here by a close score of 15-12, last night. Jamesville was the better of the two in passing, but at the half it stood 6-6, and at the third quarter the locals did better work in shooting it stood 9-9.

goals, they making a larger percentage of shots count than did the visitors. The score first belonged to one and then to the other, and at times it belonged to neither, for at the half it stood 6-6, and at the third quarter the locals did better work in shooting it stood 9-9.

Everetts to Enter State Tournament

The Everetts basketball boys are turning their interest to the State invitation tournament to be played in Raleigh the early part of next month. The trip will be their second to the Capital City, they having played in a like tournament there last year. On their first visit they made a splendid showing, and this year they go with a much better chance to cop the honors.

Farmville Defeats Ahoskie Here, 27-16

Ahoskie was eliminated from the State championship running here last Tuesday night when Farmville took advantage of free and field shots and won the game, 27-16. Both teams passed well, but Ahoskie failed to score their attempted free and field shots. The Farmville lads copped the lead early in the game and held to it throughout the contest.
