### AFRAID TO EAT

Beating Spells, from Indigestion, Put an Oklahoma Man in a Miserable Fix, But He Found Relief.

Swink, Okla.—In describing how he suffered from indigestion, Mr. S. T. Strain, of this place, says:

"I have been a user of Black-Draught for four or five years. I have been taking it for stomach trouble. I suffered after eating with bloating and a 'tight feeling'."

"I had spells when I could not eat much of anything. I had severe headaches. I would be nauseated and hurt a lot. I was in a pretty bad fix."

"I began taking Black-Draught. It seemed to help me wonderfully. I hadn't found anything that benefited me as Black-Draught did. I certainly can recommend it."

"There were times when I just did without anything to eat until I was too weak to go. I was just miserable, and when I ate, my system seemed clogged."

"I had very severe headaches. So I didn't know just what to do. I knew I couldn't work if I didn't eat. Seemed like what I spit up was bitter as could be. I took Black-Draught pretty regularly and got where I could eat, and I don't have to take it so regularly now." NC-177
