

Organizes New Home Demonstration Club

On April 2nd, at Williams Chapel, Miss Anna Trentham organized a home demonstration club. The following officers were elected: Mrs. A. M. Perry, president; Miss Hattie Everett, vice president; Miss Annie Harrington, secretary; and Miss Margaret Everett, reporter.

The organization decided to call itself "The Williams Chapel Home Demonstration Club." The business meeting over, Miss Trentham discussed with the club ways and means for farm women to make money. Afterwards the club adjourned to meet again April 9 at the home of Mrs. Joseph Early.

At the meeting on the 9th there was a very enthusiastic gathering, for Miss Trentham demonstrated her steam-pressure cooker. She cooked chicken, carrots, navy beans, sweet potatoes, and onions at the same time in the cooker, for 45 minutes, and they all came out well done. Even the rooster, which was so old that no one knew his birthday, came out quite tender. Everyone tasted the foods cooked, and at the same time asked questions, admired and praised the work of the cooker.

Waives Examination at Preliminary Hearing

Oscar Wynne, accused murderer of his 5-day-old son, waived examination at a hearing before Recorder Bailey in recorder's court here last Tuesday. He was bound over without bond to the next term of Martin County superior court, which will be held in June.

The famous Chevrolet valve-in-head motor has been made even more dependable—with even greater operating economy. Heavy, extra-leaved semi-elliptic springs—set parallel to the frame—effectively cushion the load and chassis against road shocks. The rugged Chevrolet rear axle possesses abundant strength and stamina for the heaviest haulage duty—giving fuel-saving performance under every condition. A modern, three-speed transmission provides proper gear ratios for maximum power under every condition. A heavy, 6" channel steel frame is a contributing factor to the long life and fuel-saving performance of Chevrolet Trucks.
