### INDIGESTION GONE

Tennessee Was Worried Considerably Until, on Advice of An Acquaintance, He Began To Use Black-Draught.

Sewanee, Tenn.—"For several years," says Mr. J. L. Russell, of this place, "I suffered continuously with spells of indigestion. Everything I ate disagreed with me, and I was in a bad way."

"Nothing did me any good until I found Black-Draught. One day a man in a store where we traded told me to try Black-Draught. He said he knew of it relieving indigestion, so I decided to give it a trial."

"In my case it seemed to go right to the very root of my trouble. It straightened me out, and ever since that time, over thirty years ago, I have used Black-Draught."

"When I have a spell of indigestion coming on, I begin on Black-Draught. I take several small doses, in a regular course, and I find it will usually have me well in less than no time. Now I never suffer—I take Black-Draught."

"I also found it fine to break up a bad cold. In the winter time, I always keep a box handy, so when I sneeze, or feel chilly down my spine, I take a few doses of Black-Draught, and that wards off the cold."

Sold everywhere; 25c. **BLACK-DRAUGHT**

## Last Warning

At a special meeting of the Board of Town Commissioners Monday evening, April 11, 1927, a warning was ordered to be given all taxpayers who have not made settlement of 1926 taxes. This warning was ordered with the hope that little, if any, property would have to be advertised for taxes.

## April 30th Is the LAST DAY

And it is therefore very urgent that you take this as a fair warning and that you make settlement as soon as possible. No extension of time will be granted this year, but all taxes must be in the hands of the tax collector by that day or property will be advertised in accordance with law.
