PINEAPPLE IN THE SUMMER MENU

MENUS properly planned change with the season. Winter menus should fit one to resist the cold; summer menus enable one to be comfortable even though the temperature hovers around the nineties. Heavy puddings and most meats belong exclusively to the winter diet; whole grains, various kinds of cheese, vegetables and fruits are desirable during the whole year, but particularly in summer.

Pineapple is one of the most adaptable foods to the summer menu, as it may be served with meats, vegetables, and as an appetizer, a salad, a dessert or a drink. Canned Hawaiian pineapple proves a never-failing resource to the housewife who conscientiously endeavors to select the best food for her family. Consider in how many ways this luscious fruit can be used, as the following recipes will show.

Fruit Custard: Put one cup of milk in a double boiler. Add, stirring, yolks of two beaten eggs with level teaspoon flour and a pinch of salt. Stir until thickened; remove from the fire, flavor and fold in the stiffly beaten whites of the two eggs. Cool, and pour into shallow glass pudding dish, and decorate the top with rings of pineapple. Serve cold.

Creole Compote: Lay slices of pineapple in a shallow, buttered glass baking dish. Fill holes with sugar. Place on each a halved peach, rounded side up, with a few cooked prunes in between. Sprinkle all with sugar, then pour over it the syrup drained from the fruits and b'ke half an hour. During the baking, sprinkle with almonds. Serve with cream.

Pineapple Summer Sauce: Mix one cup of crushed Hawaiian pineapple, sugar and water. Boil fifteen minutes, chill and serve on vanilla ice cream.

Salads are a frequent item on summer menus, and pineapple can be depended upon to transform the plainest salad into one that may be used on any formal or company occasion. Add a ring of pineapple, for instance, to a plate of lettuce and sliced tomato, putting the tomato slices in a design of three or four on a bed of lettuce, and the ring of pineapple in the center, the hole in the ring filled with mayonnaise, and a walnut nut on top. Immediately the salad has become more substantial, more attractive, more formal. The following additional salad recipes will prove valuable to the housewife.

Luncheon Salad: Add one-quarter cup cold water to two tablespoons gelatine. When the gelatine has softened, add one and a half cups boiling water and stir until dissolved. Add one-quarter cup sugar and each. Add one cup

crushed Hawaiian pineapple, three-quarters cup diced celery and one-half cup of walnut meats broken into pieces. Pour into mold and set in a cold place until firm. Serve on lettuce with mayonnaise.

Pineapple and Cucumber Salad: Thoroughly drain one cup of crushed pineapple. Mix with one cup finely diced cucumber, and add mayonnaise to moisten well. Arrange on lettuce and garnish with strips of red pimiento.

Cookies and small cakes are always in demand with ice cream or with fruit drinks at afternoon teas, or at a simple luncheon or supper. The following is one of the daintiest of these confections.

Pineapple Cookies: Beat one egg, add slowly one-third cup sugar, one-fourth cup of chopped walnuts, one-half cup thoroughly drained crushed pineapple, and one-half cup flour that has been mixed and sifted with one-quarter teaspoon salt and two teaspoons baking-powder. Drop by spoonfuls on an inverted greased pan and bake in a moderate oven twenty to thirty minutes.

Small Pineapple Cakes: Cream one-half cup of shortening and one cup sugar until light, and add two well beaten egg yolks. Mix and sift two cups flour, one-fourth teaspoon salt, and four level teaspoons baking-powder. Add this mixture alternately with three-fourths cup syrup drained from canned pineapple. Fold in two stiffly beaten egg whites. Bake in cup cake tins or in deep muffin pans in a moderate oven. Put pineapple icing on top of each.

Pineapple Icing: Beat two egg whites to a stiff froth. Add two cups sifted powdered sugar and three-fourths cup well-drained crushed Hawaiian pineapple. Beat well and add additional powdered sugar until the mixture holds its shape.

Crushed Hawaiian pineapple, three-quarters cup diced celery and one-half cup of walnut meats broken into pieces. Pour into mold and set in a cold place until firm. Serve on lettuce with mayonnaise.

Ice Cream Parfait: One pint or more of vanilla or fruit ice cream. Combine lightly with one cup of diced Hawaiian pineapple, add a cup of strawberries or raspberries. Garnish with whipped cream and serve at once.

Small Pineapple Cakes: Cream one-half cup of shortening and one cup sugar until light, and add two well beaten egg yolks. Mix and sift two cups flour, one-fourth teaspoon salt, and four level teaspoons baking-powder. Add this mixture alternately with three-fourths cup syrup drained from canned pineapple. Fold in two stiffly beaten egg whites. Bake in cup cake tins or in deep muffin pans in a moderate oven. Put pineapple icing on top of each.

Pineapple Icing: Beat two egg whites to a stiff froth. Add two cups sifted powdered sugar and three-fourths cup well-drained crushed Hawaiian pineapple. Beat well and add additional powdered sugar until the mixture holds its shape.

Sally Lunne Pie: Make any sort of plain, delicate cake batter - Cottage pudding will do - put into greased pan and into the top of each press lightly a cube of Hawaiian crushed pineapple. Bake in a moderate oven 45 minutes with sauce made of the syrup from the pineapple.

Small Pineapple Cakes: Cream one-half cup of shortening and one cup sugar until light, and add two well beaten egg yolks. Mix and sift two cups flour, one-fourth teaspoon salt, and four level teaspoons baking-powder. Add this mixture alternately with three-fourths cup syrup drained from canned pineapple. Fold in two stiffly beaten egg whites. Bake in cup cake tins or in deep muffin pans in a moderate oven. Put pineapple icing on top of each.

Is Anything More Interesting Than Your Own Future

You, and all of us, are standing tiptoe on the edge of today, looking eagerly into tomorrow. We hope that some place out in the future we shall find the realization of the plans we set on ahead. For most of the plans we make today must wait until tomorrow for their realization.

SOME DAY, it may be today or a year from today, a man may come to see you who will want to talk with you about your future.

The man who comes will come in a professional spirit—Life Insurance men are professional men. He will be glad to lay before you the methods other men are using to make certain that their futures and the futures of their families will be the kind of futures they desire.

He will offer you a professional service as helpful and as valuable as that of the doctor or the lawyer.

If a life insurance representative does not call on you, call up any life insurance office and ask for an appointment. Think of the interview as an opportunity to enjoy a talk with a man who is able to apply to your problems the result of years of experience behind the system of life insurance.

Your interview with the trained Life Insurance man will help you to discover whether your plans for the future happiness of yourself and your family are upon such a basis that you reasonably may expect success.

Make a friend of a Life Insurance Man. This will mean a contact that will enable you to realize to the full the benefits of—

FOR CONSTIPATION
Mississippi Man Says He Has Found Black-Draught So Satisfactory, He Has No Need to Change.

Wiggins, Miss.—Mr. A. L. Cone, a well known Wiggins resident, says: "I have used Theoford's Black-Draught for constipation. I have never had to take a great deal of medicine, but for fully 30 years I have, by using it, known Black-Draught to be a great medicine, and when I found it so satisfactory, I haven't seen any need to change."

"When I get constipated, I feel all out of sorts and tired and sluggish and I take a few doses of Black-Draught. It regulates my bowels and I get all right. My wife takes more Black-Draught than I do. She is a great believer in it too, so we keep it in the house. It will cleanse the system and help you, if you use it as we have."

Constipation leads to a great deal of sickness among those who do not understand its dangers, and who neglect to treat it without delay. Black-Draught, with its natural, prompt action of its purely vegetable ingredients, quickly relieves constipation and helps to drive out the poisons so as to leave the organs in a state of healthy activity. Sold everywhere, 25c. NC-179
