### State School Authority Is Visitor Here Today

In a meeting here today with the principals of the various high schools in the county, Professor J. Henry Highsmith, of the Department of Education, Raleigh, stressed economy and efficiency in the running of the schools.

Dr. Highsmith is assisting the principals in effecting a more efficient organization of the county high schools, and is making suggestions that will be of valuable help in running the schools.

During the meeting he urged the school authorities to see that every boy and girl in the county gets an opportunity to attend a standard high school.

### "Snowball" Disappointed in Rocky Mount Boosters

Wednesday when the Rocky Mount boosters came here, "Snowball", our own devil, was highly elated over the thoughts of being able to see a minstrel or something of that order that night. He even hinted around and wanted to know if there were any stray passes to the show in the office. When told there would be no show, he referred to the parade of the boosters as the best evidence in the world, and it was with bitter disappointment for him when he saw the Rocky Mount men drive away in their automobiles and all hopes for a show fade away.

### UNEASY SLEEP

"Nerves Were All to Pieces," Says Lady Who Tells How Cardui Helped Her When She Was Run-Down.

Hopkins, S. C.—Mrs. G. W. Arranis, of this place, says:

"I was suffering from spells of weakness. These would come on me suddenly and I would have to give up and go to bed. For several months I did not sleep well at night and got no rest from sleep. I was very nervous. I could not bear the least noise. The children worried me. My nerves were all to pieces.

"I had taken Cardui several times before, so I sent at once for some and began to take it again. At the end of a short time I felt much better, so I kept right on taking Cardui. When I would feel a nervous spell coming on, I took it more frequently for a few days.

"I can certainly say Cardui helped me wonderfully, for after a time the nervousness disappeared entirely. I could sleep at night and my general health was better. My appetite picked up and I enjoyed my meals, too. Thousands of other women have told of the benefits they have received from the use of Cardui. Keep it on hand, to take when needed. A medicine of long-established merit; mild, harmless. At all drug stores. NC-188
