

BANK OF ROBERSONVILLE HAS BEEN A LEADER IN FINANCIAL CIRCLES OF SECTION 22 YEARS

Now Commands Trust of More Than 1,500 Patrons

In the Bank of Robersonville, a most favorable chapter in Martin County's financial history has been written covering a period of 22 years. In that time it has weathered the three panics so familiar to many people today, and with one exception has each year paid its stockholders' good dividends.

The bank began business March 27, 1906, with W. L. Sherrod as its president and with J. S. Robertson its cashier. Mr. Sherrod served the institution as president until 1908, when he was succeeded by J. H. Roberson, jr., who is now serving in this capacity. Mr. J. C. Robertson served as cashier until his death in 1910, Mr. J. A. Mizelle taking his place and serving as cashier until 1922. He was succeeded by Mr. D. R. Everett, who now is serving the bank and its patrons in a most able way.

Realizing that the success of its patrons means its own success, the Bank of Robersonville has ever lent

CLARK'S DRUG STORE ENJOYS LARGE TRADE

Purity and Accuracy in Filling Prescriptions Is Stressed

Clark's Drug Store, in its years of service to the people of this community has followed closely the lines of progressiveness. The company has built a large trade on the merits of service and quality of its goods.

Few stores anywhere can beat the Clark boys' record when it comes right down to filling and meeting the demands of a most particular trade. They are born druggists, know how to do things, and take pleasure in doing for their customers.

In their advertisement in the second section of this paper, they state they are in business for your health. And this is true, for they have filled thousands of prescriptions, and this business is increasing right along with its others. They take pains in their work, knowing the value and the expected results to come out of it.

The store has always assisted in any movement for the betterment of town and community. Its owner, Mr. C. B. Clark, and assistant manager, Mr. Herbert Clark, are both active in the various circles of community life.
