"Truth Is Stranger Than Fiction"

Several years ago, Firestone, Ford, Edison and Burroughs joined in a vacation trip. While touring through West Virginia, a light went bad, and Mr. Ford stopped at a cross-road store to get a new one.

"What kind of lights have you?" asked Ford. "Edison," replied the merchant. "I'll take one," said Ford, "and it may interest you to know that Mr. Edison is out in my car." "So?" said the merchant.

"And by the way," continued Ford, "I need a new tire, what kind have you?" "Firestone," was the reply. "That's a coincidence," said Ford, "Mr. Firestone is out there in my car also, and I am Mr. Ford." The merchant let drive a long squirt of tobacco juice and said nothing.

While the merchant was putting on the tire, Mr. Burroughs who had long white whiskers, stepped out of the car and said, "Good morning, sir." The merchant looked at him with a sarcastic grin and said, "Now just a minute, if you try to tell me that YOU are Santa Claus, I'll be ding'd if I don't crown you with this wreath!"

Again we call your attention to the SALLY ANN BAKERY for good things to eat—BREAD, ROLLS, CAKES, PIES, BUNS and DOUGH-NUTS.

GORMAN'S MARKET REPORT

The sales have been very heavy but the market was cleared up by Friday. Prices have been disappointing to many, yet Gorman's customers have all been pleased, many telling us Gorman's was the highest sales they had seen, and many had visited the other markets.

Our Tuesday's sales averaged \$20.80. Wednesday we averaged \$19.01—in this sale we had a quantity of low grades, many going to the stable. Experience, knowledge of values, and ability to back this counts.

We advise you grading on your tips, leaving the thin colory tobacco to be sold last. They will be higher later on.
