### FILL YOUR BINS NOW

It will probably cost more if you wait until the last minute to put in your supply of coal for next winter than if you place your order with us now at present prices and immediate delivery. The coal we now have is from mines that yield a superior quality and we are now prepared to fill your bins with this splendid grade of coal.

Mr. and Mrs. Atwood Newell until Friday, driving to Louisburg and back with no assistance. His many friends in Martin County wish for him many, many more active birthdays.

Mr. Simpson says that Mr. Newell, who was in a Southern Pines Sanatorium for many months, is able to be home now and is a great deal better than he was. This will be good news to Williamston people, he having lived here for many years prior to going to Louisburg.
