

TRIO THEATRE BOOKS 'CAMILLE'

To Be Shown at Theater in Robersonville On Next Monday and Tuesday

"Camille" a First National picture and one of the best of the season has just been booked by the management of the Trio Theatre, Robersonville, for next Monday and Tuesday, October 31 and November 1.

"Assembling in one scene all the most famous sirens of history, the makers of the picture have selected the pick of Hollywood's beauties to portray Cleopatra, Sappho, Du Barry and others whose seductive charms swayed men and nations.

"The concourse of ancient, medieval and modern sirens which forms one of the highlights in "Camille" is a mad revel at the Dumas heroine's home. The notable Lorekis, who played havoc with hearts in each period, are represented. At the peak of the festivities the "Lady of the Camellias," most fascinating and exotic of them all, enters and her costume brings gasps from even the other sirens. She is the last word in women loved by men, a girl who has dukes and counts at her feet, but who finally tires of wealth and gaiety and gives her heart to a comparatively poor youth."

Norma Talmadge stars in the picture.

ROBERSONVILLE SCHOOL NOTES

Hallowe'en Party Next Monday Night in Auditorium

Rev. J. T. Wildman filled his regular appointment here Friday when he conducted the morning exercises in the school auditorium. His talks are always good, and are much enjoyed by the students and faculty.

Hallowe'en Party Monday Night
Next Monday night, the school will give a Hallowe'en party in the auditorium. The party's proceeds will go into the school's athletic fund.

Robersonville, 15; Farmville, 0
Robersonville won over Farmville's football eleven here last Friday afternoon, 15 to 0, in one of the best games of the season. The entire team showed unusual form. Dick Cherry scored two touchdowns and Hallie James added three points when he kicked a field goal. The team is in Farmville this afternoon playing a return game.

System of Tests and Measurements
Miss Macie Southall of the State Department of education, visited the school Wednesday and introduced a system of tests and measurements in the elementary school. In this work she acts as field agent to Mr. Brogdon, of the department.

The library is vastly more than a collection of books; it is a social, civilizing, moralizing force.—W. H. P. Faunce, president Brown University.

Willard Mack, Noted Author, Producer and Actor, writes:

"We people of the theatre are, as a rule, extremists. This is the reflex action of an overworked nerve. When a man smokes forty cigarettes a day, as I do, he must be sure of his brand. I smoke Lucky Strikes because I have found they are soothing to the nerves and at the same time they cause no throat irritation. My voice is always in perfect condition and I am never troubled by any coughing which might be annoying to me in my work as an actor."

You, too, will find that LUCKY STRIKES give the greatest pleasure—Mild and Mellow, the finest cigarettes you ever smoked. Made of the choicest tobaccos, properly aged and blended with great skill, and there is an extra process—"IT'S TOASTED"—no harshness, not a bit of bite.

"It's toasted"

No Throat Irritation—No Cough.
