**BADLY RUN-DOWN**

**Kentucky Woman Had "Terrible Time" Doing Her Home Work.**

**Strength Returned After She Took Cardui.**

**Shelbyville, Ky.—"Several years ago," says Mrs. Alven Jesse, of this place, "my health was very bad. I was very much run-down. I was in such a weak, nervous condition that I was not able to do my housework."**

**"I struggled to keep up, because I had to, but many a time I spent hours in bed, trying to force enough strength to go through the daily routine."**

**"This condition went on for some time, until I heard about Cardui, which some one told me was good for such ailments. I gave it an immediate trial, and, I am thankful to say, my improvement was rapid. I soon was able to do my housework with ease and comfort. I felt fine and I looked so much better."**

**"This spring I was not as well as I had been. I was ill in the winter with colds, which left me weak. So I sent at once to the store for Cardui and began taking it. In just a little while I was feeling much better, my strength returned and I was able to get my work done easier and with less effort."**
