

Confederate Pensions Are Being Distributed

Pensions checks will bring good cheer to twenty-six widows of the Confederacy and nine Confederate soldiers in this section when they are delivered within the next few days.

Deputies Get Two Stills Near Everetts Yesterday

Deputies S. H. Grimes and H. O. Daniel made a raid in the section a mile north of Everetts yesterday morning and captured two stills, one was of 80-gallon capacity and the other around 30-gallon capacity.

Forest Growth Can Be Increased Four Times

Despite the present protective measures, taken by the government to increase forest growth, it is estimated by the Forest Service that the present volume can be increased four times.

Many Members of Dairy Associations in Illinois

Illinois has 900 members in its 33 different dairy associations. About 14,000 cows belonging to members of these associations are tested monthly.

The Earlier the Broiler the Larger the Profits

Table showing market prices for broilers from April to September. Columns include month, price per pound, and a small illustration of a broiler.

Profits from broilers are determined largely by how early in the season they reach market size, according to the Sears Roebuck Agricultural Foundation.

Controlling the Corn Weevil in the Crib

Carbon disulphid used in the corn crib will control the corn weevil. One farmer of Pasquotank County used this material at the rate of 4 pounds per 900 cubic feet and had good results.
