To Enforce Law Against Minors Driving Autos

According to an announcement made by local officers, the age of many automobile drivers will be proved within the next few days. Lately, many complaints have been made by citizens of the town about children under sixteen years of age

driving automobiles. Several near accidents are said to be the cause of the complaints that have been made to the policemen. Several months ago many children were ordered by the police to stop driving cars, but lately, the habit has been renewed and the police found it necessary to make another raid on the young law violators.

BAD PAINS IN SIDE

Spells of Nervousness Also Troubled This Lady Who Gives Cardui Credit for Helping Her Get Well.

Depew, Okla.—"For six years," says Mrs. Edd Burton, of this place, "I suffered as bad as a woman can suffer and still keep going. I was good for nothing, was lifeless and pale, unable to eat anything. Nothing agreed with me. At times I had such bad pains in my sides and back I would have to go to bed. I had cramping spells and would faint if I stood on my feet any length of time. My nerves would become upset at the least little thing and I would have spells of crying that were so exhausting they left me prostrate."

"Several of my friends suggested that I take Cardui. They told me of their experiences with it, how much they have been helped. At last I decided to try it."

"In a few weeks, I could see that I was improving, so I kept on. I did not expect the troubles of years to disappear in a few days, nor did they, but in time I was much better. I kept up the Cardui treatment for several months and thanks to it I am a well woman now."
