### SPOTS BEFORE EYES

Miner Had Dark Spots Before Eyes. Felt Dull, Tired, Achy. Doesn't Get Down Any More.

Somerses, Ky.—Telling how he had known of the merit of Theford's Black-Draught since he was a boy, Mr. Albert Garland, of this city, recently said:

"I used to work in the mines, but lost quite a bit of time on account of the sick spells I had. I would get to having a bad taste in my mouth, and a very dull, tired feeling and ache. I would have dark spots in front of my eyes, and I would be so dizzy I would stagger like I was drunk.

"I took medicine, but didn't seem to get any better. My mother told me to try Black-Draught, which I did, and after a few doses I felt much better. Now I take it as soon as I feel the least bad, and I don't get down. I certainly can say that it has done more for me than any other medicine I have ever taken.

"I never get without Black-Draught. If I go on a visit, I take a package along in my suit-case. My health is better now than it has been in years, and I believe it is the use of Black-Draught that did it."

Black-Draught is prepared from medicinal roots and herbs, of highest quality. Try it. NC-195

1928, and maturing \$500.00 July 1, 1931, and yearly thereafter until 1955, inclusive, and bearing interest at six per cent per annum, payable semi-annually, bonds to be the denomination of \$500.00 each, and both interest and principal payable at the Hanover National Bank, in the City and State of New York.

An unlimited tax is authorized for the full payment of the interest and principal of these bonds. Purchasers will be furnished the blank bonds and the approval opinion of Messrs. Storey, Thorndike, Palmer & Dodge, attorneys, Boston, Mass., without charge.

These bonds are issued under the provisions of the Municipal Finance Act (sections 2928 to 2965, Vol. 3, Consolidated Statutes of North Carolina).

All bids must be accompanied by a certified check upon an incorporated bank or trust company, payable to the order of the Treasurer, Columbia, N. C., for two per cent of the face value of the bonds bid for to secure the town against any loss resulting from failure of the bidder to comply with the terms of this sale.
