“HOME Is Where the Heart Lies”

AND WHAT a thrill lies in the words, "This home is our very own." Such a home of happiness and contentment is the fountainhead of satisfaction and enjoyment with the entire family—the place of happy, healthy, thriving children and parents proud in their ownership and independence. You can own such a home in Williamston by means of easy payments monthly in amounts no larger than you now pay for rent.

The best investment that can be made is a home. Home values are always rising in a progressive town like this.

But this is a material consideration. The important thing is the happiness that comes from ownership of one's home, of being one's own landlord.

WE FURNISH EVERYTHING THAT GOES INTO THE HOME, USEFUL AND ORNAMENTAL, AND THE FOOD AND CLOTHING
