

Mr. and Mrs. Bailey Entertain Faculty

Beautiful in its every detail was the party given by Mr. and Mrs. Walter Bailey at their home near Bear Grass, honoring the Bear Grass school faculty and a few friends, on Wednesday, March 13. Artistically arranged throughout the home were jonquils, phlox, and potted plants, which, together with St. Patrick emblems, composed a charming decorative scheme.

The dining table, with lace cloth, was centered with jonquils and fern, and on the table were St. Patrick favors, hats, and pipes. A delicious buffet supper served in courses was followed by bridge. Music was furnished during the evening by Miss Lukie Rogers. Dancing was also enjoyed.

Jefferson Standard policies will pay debts; pay taxes; educate children; pay off mortgages; prevent estate shrinkage; pay incomes to those who become disabled; yield monthly checks for living expenses of dependent loved ones; and assure independence during the sunset days of life.

Consider also that the premium deposits made on these Jefferson Standard policies will remain right here in this State. Small sums that people usually fritter away will be gathered together and then loaned in effective amounts for the upbuilding and development of North Carolina.

But it is hardly necessary to call that point to the attention of Tar Heels. They know how Jefferson Standard millions have fostered the development and expansion of this great State.

That is one reason the Jefferson Standard leads every other company in the amount of regular annual-premium insurance in force on the lives of North Carolinians. That amount has reached the impressive total of \$134,862,833.
