

### BOARD WILL AID COTTON CO-OPS

#### Lend Association Enough To Advance 16 Cents Per Pound

Washington, Oct. 21.—The Federal Farm Board announced today it would lend to cotton cooperatives sums sufficient to bring the total amount borrowed from all sources by such associations to 16 cents per pound on graded and classed cotton, and disclosed simultaneously that it is preparing to take similar action on wheat under a plan to be revealed later.

The statement, which came as a surprise and was received with gratification by cotton state senators on Capitol Hill, was prefaced with the declaration that the board "believes the present prevailing prices for cotton are too low."

Nearly \$100,000,000 is available from the board's revolving fund for the cotton financing, and the board said it would ask Congress for more if it becomes necessary.

Explaining its opinion that current cotton prices are too low, the board noted that the total supply of American cotton this year is less than it was last year. That fact, together with consumption continuing at the same rate as last year and the actual sale of cotton goods having increased, the board said it felt might have increased the price if the new product had been marketed in an orderly manner.

Under the plan, the co-operative associations will take the farmers' cotton and market it over a period of a year as it is needed, settling with the farmer on the final price obtained.

### 11 of 35 Prisoners in Jail Charged With Larceny

Eleven of the 35 prisoners confined in the Martin County jail so far this month were charged with larceny, the percentage for the type of charge being considerably larger than at any time during the past several months.

### Nineteen Cases Docketed For County Court Today

Nineteen cases were on the recorder's court docket yesterday for trial today. Practically all of the cases were continued over from the session of last Tuesday, when the court sat all day and disposed of only a few cases.

The court is expected to be in session a greater part of today.

### Trial Put Off So Defendant Could Electrocute Two Men

Milledgeville, Ga.—R. C. Turner, who was indicted in Fulton county on a charge of embezzlement, had his case continued in the superior court in Atlanta for a reason believed to be without parallel in the United States.

Turner is the electrician who presides at the electrocution of criminals at the State farm here. On the day set for his trial two men were to be put to death at Milledgeville and it was necessary that Turner should be here.

If Turner should be convicted, which he says he will not be, it would simplify matters considerably, for he could then be sentenced to Milledgeville Prison Farm where he would be at hand at all time to act in his official capacity.

### Hunting Club Members Return From Hunt Trip

Spending the week end on their boat, several members of the Roanoke Hunting Club reported upon their return successful fishing and squirreling down on Broad Creek. John Cook was the chief cook, Kader Crawford assisting. According to reports, Titus Critcher, a member of the club, did not know enough about cooking to get wood and boil water.

### Hankow Orders Ban on Kissing in Public Places

Hankow.—The wave of prritanism which has struck Hankow has resulted in the enactment of a new city law to the effect that "outdoor kissing," even between husbands and wives, is a "crime," and that those caught at such "immoral practices" shall be fined.

The first victims have been Mr. and Mrs. Chen Chang-hang, a newly married pair. They were driving in an open carriage when a policeman saw Mr. Chen kiss his bride. Both were arrested. Mr. Chen was fined \$25, and he and his wife were forced to furnish bondsmen who guaranteed that the newlyweds will not again offend the proprieties.

The new morality crusade is also being directed against many American-made motion pictures, and an effort is being made to force the Russian girl dancers in the cabaret to wear more clothing.

Sheriff C. B. Roebuck was in Williamston yesterday attending the Federal term of court in session there.
