"GOLD-RIBBON" BRAND

COFFEE AND CHICORY

29c

Don't Fail To Take Advantage Of This REMARKABLE OFFER!

Only 2 lbs. to each customer

This exceptionally low price is made possible through the cooperation of dealers listed below and the roasters of "GOLD RIBBON" Brand COFFEE and CHICORY. CHICORY is a plant resembling very closely the sugar beet in appearance and after being processed in drying, roasting and grinding, has a flavor and color very similar to coffee. It has held a

place for ages as a healthful food. Its use as a beverage was permanently established in Europe during the Napoleonic Wars, when, due to the blockade of the continent by the British Navy, coffee, tea and cocoa could be procured only with difficulty. To quote the National Dispensary "Chicory is thought to increase the appetite and promotes the digestion."

When Perfectly Blended

with coffee as in our "GOLD RIBBON" Brand, it adds strength, improves flavor and color, and prevents coffee from becoming stale on standing. Double strength—for best results use only half as much "GOLD RIBBON" Brand COFFEE and CHICORY as of ordinary coffee. If you have never tried "GOLD RIBBON" Blend you may now do so at this previously unheard of low price.
