

CHANGE POLICY AT WAKE FOREST

Will Now Accept Graduates Of High Schools Without Condition

Wake Forest, Jan. 24.—A tradition of 95 years standing went by the board today at Wake Forest College when its faculty authorized that the sole basis for unconditional entrance next session be simply that of graduation from a state-accredited high school and that its new catalogue be modified accordingly.

While the policy of this institution in previous years was to admit all graduates of accredited high schools, it nevertheless penalized upon entrance those who presented only two units of foreign language by requiring that additional foreign language be pursued without credit toward degrees, thus handicapping a majority of its students who came from small high schools. In September of this year foreign languages required to Wake Forest will be precisely that required for graduation from high school; namely, two units of either Latin or French.

School Principals To Meet Here Saturday

The Martin County school principals will hold their monthly conference in the high school building here next Saturday morning at 11 o'clock, when transportation problems will be discussed at length. All school truck drivers in the county have been requested to attend the meeting.

Catch Robbers Before Their Victim Could Report Case

Chicago, Jan. 22.—Police department last night sealed the heights of service and Mrs. Mary Tiller was delighted.

One of four men grabbed her purse and fled with his companions in an automobile. Mrs. Tiller boarded a street car and went directly to a police station.

"My purse," she began, "was—"

"Yes, yes, of course," said the sergeant. "Here it is. And here are the men who took it."

A police squad had arrested the men on suspicion, found the purse and a pistol, and had taken them to the station to await the arrival of the

Ten Killed in Bus-Train Wreck in State of Ohio

Cleveland, Jan. 23.—A finding of negligence on the part of a bus operator who drove himself and nine school children to death at a railroad crossing yesterday and a recommendation that the state compel employment of two men on all commercial and school buses were embodied in a report being prepared by Coroner A. J. Pearce today.

Pearce, however, said he was satisfied that lack of proper precautions by John Taylor, 88, the driver caused the tragedy which raised Ohio's toll from bus wrecks to 20 dead and 30 injured in three weeks. The tracks at the crossing, although guarded by nothing more than the ordinary sign, are clearly visible for three miles and the weather was clear.

Two Men Captured at Still This Morning

James Moore and James Daniel, colored, were captured at a liquor still in the Free Union section of this county today by Officers Coats and Roebuck. A complete distillery plant was destroyed.

COULD HARDLY REST

Lady Says She Hurt Nearly All Over and Was Very Nervous. Took Cardui and Got Well.

New Albany, Ind.—"About ten years ago, I was just about run down," writes Mrs. David Brock, of 1102 West Main St., this city. "My back and limbs ached; in fact, I hurt nearly all over. I had bad, sick headaches, spells, and my nerves were all to pieces. "I could not sleep at night; could hardly have any rest at all. I was barely able to get around to do my work. I kept up just because I was a mother with five little children to care for.

"I read about Cardui. I thought it might help me, so I bought a bottle and began to take it. "It was such a benefit to my health. By the time I had taken the first bottle, I felt so much better. My husband insisted on me giving Cardui a fair trial, so I kept on until I had taken several bottles, and at last found myself a well woman.

Thousands of other women, who had been in a run-down, suffering condition, have reported that after taking Cardui they recovered good health.

Cardui is a strengthening tonic, extracted from herbs of long-known medicinal value. Try it. j21 3t
