**SICK HEADACHES**  
Disagreeable Feeling All Went Away Following Use of Black-Draught.

Fadsuch, Ky.—"For a long time I suffered with severe sick headaches that would unfit me for my work for two or three days at a time," says Mrs. O. H. Hall, of 222 Tennessee Street, this city.  
"I would have these headaches if I let myself get constipated. I would also feel very dull and stupid and have a very bad taste in my mouth."  
"After I heard of Theodor's Black-Draught and began taking it, all this bad feeling would disappear and I would not have the headache, so that now I just keep a box of Black-Draught on hand, and when I feel the least bit bad I take a dose and it relieves me at once. I am glad to recommend Black-Draught, in fact I have done so many times, to friends and neighbors."  
Theodor's Black-Draught is a purely vegetable cathartic or laxative medicine, composed of selected medicinal herbs and roots. Black-Draught is finely powdered, which enables the juices of the stomach to extract its medicinal properties in an easy, natural way.  
Refuse imitations. Get the genuine—Theodor's.  
Costs only 1 cent a dose. NC-227
